## LOCAL MAN IS HURT IN DEPOT POWDER BLAST

Homer W. Baltzley, 41, 568 Elm St., escaped with minor injuries in an explosion of ammunition powder Monday morning at the Letterkenny Ordnance Depot at Chambersburg. One fellow workman was badly hurt and is in a serious condition in the Chambersburg Hospital. Three others suffered minor injuries.

Wayne Krugh, 56, a munitions operator from Shade Gap, suffered possible fractures of the left arm and right foot and multiple cuts of the face and head and is a Chambersburg Hospital patient. The others were treated at the post dispensary and were discharged.

Post officials said the five workers were inside a building salvaging powder from 120mm propellant charges when the explosion occurred. They said the cause of the blast has not been determined.

The others who were not seriously hurt were David F. Hess, 33, Hustontown; Scott Miller, 56, Three Springs R. 1, and Ray Bruce, 21, Hagerstown.

The accident occurred about 10 a.m. in an operational building known as "S9E." The men were salvaging the powder for re-blasting and use in other charges.

## BRAKES FAIL; HOBBS BREAKS LEG IN JUMP

A trucker from Fairfield R. 2 is in satisfactory condition at the Chambersburg Hospital after brakes failed on his \$14,500 tractor trailer rig and he jumped before it crashed into an embankment.

James Hobbs, 30, suffered a compound fracture of the right leg and bruise burns of the entire body in striking the ground at the scene, the foot of the Neelyton Mountain Rd., Huntingdon County. Spectators said Hobbs and a brother were each driving tractors pulling loads of steel. The brother made the descent safely in his rig but James found he had no brakes near the bottom of the mountain.

Those at the scene said Hobbs stayed with the runaway rig until he safely passed a car ahead of him on the road. He sounded his horn continuously in warning, then leaped. The rig traveled another 300 feet, reportedly at high speed, before smashing into an embankment and continuing 40 feet into woods.

The accident occurred Saturday morning.

The rig was demolished and steel from the load was scattered.

### TRADING MODERATE

NEW YORK (AP) — The stock market advance pushed ahead against increasing opposition early this afternoon. Trading was moderately active.

Gains of fractions to around a point among key stocks outnumbered losers.

Profit-taking on the strong rise of Monday and the additional gains this morning began to mount as the session wore on.

## Three 35-Man Crews Try To Extricate Four Men Trapped In Deep Shaft

By JOHN LENGEL  
MERCURY, Nev. (AP) — Workmen sought urgently today to extricate a mass of electrical cable and free four men trapped 1,800 feet underground in a nuclear test shaft.

"It's a slow, agonizing process," said an Atomic Energy Commission spokesman. "The workmen have never come up against a problem like this before."

A steel cable supporting the electrical cable snapped about 6 p.m. Saturday and whiplashed upward, striking and killing one man and injuring three others, none seriously.

### CABLE COLLAPSED

The cable, thick as a man's wrist, collapsed in a spaghetti-like snarl and clogged the bottom 300 feet of the 1,800-foot shaft. The shaft, cylindrical and steel-lined, is four feet in diameter.

Three 35-man crews in eight-hour shifts were working at extracting the mass of cable.

## Two Professors To Get Ph.D. Degrees

Two members of the political science department of Gettysburg College received Ph.D. degrees this summer. Dr. Bruce Boenau received his from Columbia University in June and Dr. Robert Leh received his from the University of Pennsylvania in August.

Dr. Leh and Dr. C. E. Jarvis, chairman of the department, attended the annual convention of the American Political Science Association in Chicago earlier this month.

## OPEN CONCERT SERIES HERE ON OCTOBER 26

The 1964-65 community concert series will open in Gettysburg Oct. 26 with the Esterhazy Orchestra, volunteer workers were informed Monday evening at a dinner to launch the 26th season of the Community Concert Association of Adams County. The affair was held in the Hotel Gettysburg dining room.

Paul W. Grove, president, said that the schedule has been planned for Monday, Tuesday and Wednesday night in order to permit greater latitude for persons who wish to join the association. The Esterhazy Orchestra will appear the fourth Monday in October.

### SECOND CONCERT

The First Chamber Dance Quartet will present a program of classic ballet Tuesday evening, Nov. 24, and the Golden Curtain Quartet will appear Wednesday evening, March 17. All three programs will be presented in Christ Chapel, on the Gettysburg College campus.

Rev. W. R. Sammel, membership chairman with Lloyd V. Weidner, reported that several hundred advance membership renewals were received prior to the dinner. The membership goal for the season is 1,000, which will enable the association to schedule a fourth concert this year. Membership in the local association entitles members to reciprocity admission tickets to concerts in Frederick, Waynesboro and Chambersburg, where 12 concerts will be held during the season. The Frederick association will open Oct. 10 with duo-pianists Whittemore and Lowe, and will close March 25 with the Baltimore Symphony Orchestra. The Chambersburg and Waynesboro series will be announced later.

### DESK IN LOBBY

Mrs. Harold Dunkelberger will be in charge of the membership desk this week in the Hotel Gettysburg lobby, where volunteers are asked to report results of the drive. Rev. Mr. Sammel said that more than 50 volunteer solicitors throughout Adams County.

Membership tickets are offered at \$7.50 for adults and \$3.50 for students. Memberships may be reserved by calling Mrs. Dunkelberger at ED. 4-4000.

### 20 FOR PHYSICALS

The Adams County Selective Service Board received orders today to call 10 men from the regular age group and 10 18-year-olds for final physical examinations on Monday, October 26.

## UPPER ADAMS JAYCEES AID OLYMPIC FUND

The Upper Adams Jaycees raised \$100 for the U. S. Olympics Fund with its "Run for the Money" project held at the South Mountain Fair to seek donations toward the fund to send the U. S. Olympic athletes to Japan for the forthcoming Olympics. The Jaycees nationally are seeking to raise \$1,000,000 for the fund.

Dennis Little, chairman of the project, Monday night presented the results of the campaign to Robert Grubbs, treasurer of the organization, for forwarding to the national group.

The Upper Adams Jaycees at their meeting also heard a report that 70 attended the family picnic held by the organization Sunday at the South Mountain Fairgrounds.

Harold Ditzler, chairman for the club's political project "Learn the Score in '64," reported plans have been completed for a political debate for the public to be held Saturday evening at 7:30 o'clock at the South Mountain Fairgrounds.

Five members, according to reports at the meeting, attended a regional meeting for Area IV held at Shippensburg. Willard Raudabaugh, state director, gave the report on the regional session.

## GATHERING OF YOUNG GOP IS HELD MONDAY

(See Photo on Page 3)

More than 100 Young Republicans from three counties met Monday evening at the Lamp Post Tea Room for a "get-acquainted meeting" marking the first of a series of joint sessions of the groups from Adams, York and Cumberland Counties.

The meeting also served to honor John Acton, Bryn Athyn, president of the Pennsylvania Young Republicans.

The Adams County Young Republican president, Atty. Oscar F. Spicer, served as general chairman for the session assisted by Robert Minnick, York County Young Republican president, and Jon LaFavre, Cumberland County Young Republican president.

### NO SPEECHES

Among other state Young Republican officials present were Vice President Marian Metro, Pittsburgh; Secretary Isabelle Rudisill of Lancaster and State Directors Thomas Gable and Harold Shriver. Shriver noted that of the five Young Republican officers, two are graduates of Gettysburg College with the class of 1956. Shriver, a resident of Palmyra, is one of the Gettysburg College graduates. National Committeewoman Sylvia Fenstermaker, Allentown, is the other.

There were no speeches at the "get-together." Among political figures present to mingle with the group were Congressman George Goodling, state Senator Elmer Hawbaker, Assemblyman

## SAYS THIS IS CRUCIAL YEAR FOR US HERE

"This is the crucial year—the United Fund can either make or break this year," Richard Guise, United Fund campaign chairman, told the Rotary Club at its meeting Monday evening in the YWCA.

"We have failed to make clear to the general public that United Fund is a method of supporting 11 agencies by one campaign. If the fund fails, that will mean 11 additional campaigns will have to be held each year to provide the funds needed by these agencies. Frankly 11 campaigns instead of one is the less efficient way to do it, and also frankly the number of capable people willing to help in these fund drives is limited."

"Somehow we have to get across to the public generally, and we have not been able to do that so far apparently, that United Fund is really the easy way of supporting these agencies."

### ENDED DEFICIT FINANCING

"If there have to be 11 drives to replace United Fund, a lot of people are going to have to do a lot more work, and the general public is going to have a lot more annoyance from solicitors constantly calling at their doors."

"United Fund had been operating on deficit financing the last few years. When it failed to make its goal, it got the money needed for the agencies from the next campaign. But that does not work forever. Last year we dropped the deficit financing, and gave to the agencies the amount we raised—and it meant a 20 per cent cut for them. As a result, we had to allow several of them to conduct additional drives to make up the deficit."

"This year, I think we are in the make or break position. If we do not make our goal this year I feel we are in great danger of losing the United Fund."

### NEED \$5 AVERAGE

"United Fund was established in 1948 and a lot of you say that since then here have been as many campaigns as ever—why

## NIMRODS RUSH FOR LICENSES TO HUNT DOE

Monday, the first day on which Adams County Treasurer Daniel J. Wolff could accept applications for doe hunting permits, found business brisk at Wolff's office at the courthouse where nearly half of the 2,300 licenses allocated for this county already have been applied for.

This morning Treasurer Wolff said 1,025 of the doe permits have been applied for and 865 of those applications were handled over the counter in his office on Monday. The others had been applied for by mail.

While Monday was the first day for the county treasurer to receive doe license applications, none can be issued until November 9 when Mr. Wolff's office will begin issuing the licenses by mail. The antlerless deer season has been set for December 14 and 15.

The season for bucks opens November 30 and will extend through Saturday, December 12.

Many of the prospective doe hunters also bought regular hunting licenses Monday and the county treasurer listed this record volume of business for the day: 231 resident hunting licenses, 25 archery licenses, 14 junior resident hunting licenses to youngsters 16 years and under, one nonresident license, one fishing license, one dog kennel license, five individual dog licenses in addition to handling the 1,025 doe permit applications.

Mr. Wolff noted that doe license applications cannot be given to nonresident hunters until 30 days before the opening of the season. He said it is very unlikely that any of the 2,300 doe permits will be available at that late date.

### FORFEITS FINE

### CAR REPORTED STOLEN

State police notified borough police this morning that the 1960 Valiant of Bessie Imler, Gettysburg R. 2, had been reported stolen during the night.

## Runaway Boy, 10, Picked Up Here

Gettysburg police returned a 10-year-old runaway to his guardian Monday night as a result of the action of an unknown motorist.

According to the borough police call sheet, a motorist halted the officers on York St. at 6:15. They told police that near Fayetteville a 10-year-old boy had hitched a ride with them. They thought he wanted to go to his home nearby and gave him a lift. They then found that he was headed for Lancaster. After letting him off here they said they wanted the officers to investigate because it just didn't seem right to them that a 10-year-old would be traveling that far.

The officers found the youngster at Fourth and York Sts. and learned he had run away from home, Chambersburg R. 2. They notified his guardian who arrived for the child at 10 o'clock Monday night.

## MORE FOSTER HOMES MAY BE NEEDED HERE

The number of children under Adams County Child Welfare Care is now 126 and additional foster homes are sought for use if the number climbs higher.

Miss Dorothy Curtis, Child Welfare secretary, told the county Child Welfare Advisory Board at its meeting Monday evening in the organization's office in the Topper building that service was started for two children during August while none were dropped from the rolls, thus bringing the total to 126, compared to about 99 a year ago. The 126 currently on the rolls are from 59 families.

Miss Curtis said there are sufficient foster homes for the 37 currently in foster homes, but that more are sought in case of additional need. Persons interested in providing foster homes for children under Child Welfare are asked to contact the office. An investigation must be made prior to placing the homes on the available list in order to know which children would benefit most from which home, and the hope is to establish a "backlog" of foster homes to have them available when need arises. The county pays a sum to the foster homes to take care of the children's board and takes care of their clothing, medical, etc. needs.

### 34 IN INSTITUTIONS

In addition to the 37 children currently in foster homes, but that the homes of their parents, 34 in institutions and four are in adoptive homes.

### DRIVER INJURED

A driver was treated by a doctor following a two-car crash three miles south of Gettysburg on Route 15 about 2:20 p.m. Saturday.

State police said J. Guy Wolf, 72, of 225 Lincolnway West, New Oxford, pulled out from Confederate Ave. into the path of a car driven by Jennie Motter, 40, Emmitsburg, who was traveling south. Motter was treated for minor injuries. Damage was \$200 to the Wolf vehicle.

## Paper Clip Is 32 Miles Long Under New Electron Microscope Linked By TV

CAMDEN, N.J. (AP) — Television has been linked with the electron microscope, opening the scientist's eye today to things he has never seen before.

The new TV attachment increases magnification power to two million times — 10 times more sensitive than any other known microscope.

Under the TV magnification, a one-inch paper clip would be 32 miles long . . . a man's foot would stretch 400 miles.

### DEVELOPED BY RCA

The system, developed by Radio Corporation of America, and disclosed today, is another advance in science's struggle to see, to the tiniest part, what man and material are composed of.

C. H. Colledge, vice president of RCA's broadcast and communications product division, said the new TV system, with image intensification, is "the most important single advance in microscope design since the

perfection of the microscope itself."

The electron microscope, with out TV, magnified 200,000 times and permitted scientists to observe objects a million times thinner than the human hair.

Now even tinier objects can be seen.

### SHOW ON MONITORS

"These images heretofore have been too dim to observe at high magnifications, or the specimens themselves have been destroyed or altered when exposed to the instrument's strong electron beam," Colledge said.

The TV system, removing these limitations, increases images by at least 10 times and displays them on standard TV monitors, Colledge said. He cited these advantages for scientists:

1. Radiation-sensitive plastics and other materials, until now generally destroyed or altered

## EISENHOWER TO MAKE TV TALKS TO HELP BARRY

The Associated Press  
Republican presidential nominee Barry Goldwater says former President Dwight D. Eisenhower may make several nationwide television appearances in support of the GOP ticket.

Goldwater made the announcement Monday after meeting with Eisenhower at his farm here to tape a half-hour show (for NBC) scheduled for broadcast tonight as a paid political telecast.

"I expect him to do several of these TV shows, it's just a question of when," Goldwater said before returning to Washington to prepare for a campaign speech at Charlotte, N.C., Monday night.

### "TRUE POSITION"

Brig. Gen. Robert Schulz, an aide to Eisenhower, said, however, he knew of no plans for future television shows involving the former president.

"Any plans along this line would have to come from the Republican National Committee," Schulz said.

Goldwater said the purpose of tonight's program is to "give the public a true position of the Republican candidates and the former president a chance to comment on the campaign."

When asked if the program represents an effort to show that he and Eisenhower are in agreement on all issues, Goldwater replied: "Not necessarily."

### 6-HOUR VISIT

Goldwater and Eisenhower spent six hours together in the friendly setting of the former president's farm here.

## REC DIRECTOR TELLS BOARD OF FALL PLAN

Opening of the fall programs was reported Monday evening to the Gettysburg Recreation Board at its meeting in the junior high school.

Recreation Director Ray Thompson reported 72 Fifth Grade and 48 Sixth Grade boys have reported for touch football. The bowling season has opened with 64 taking part in the Saturday afternoon sessions for the eight to 12-year-olds and 48 for the Saturday morning sessions for those 13 years of age and over.

Thompson reported preliminary plans for a wrestling program for junior high school age boys and plans for a girls' activity program after school probably in one of the elementary school all-purpose rooms.

## 27 ACCIDENTAL DEATHS IN PA. SET NEW MARK

By THE ASSOCIATED PRESS

Pennsylvania suffered its highest traffic fatality total of the year this weekend, compared with both holiday and non-holiday weekends for 1964. Twenty-seven persons lost their lives on state highways, including three double fatalities in Western Pennsylvania, one near Pittsburgh, another near Portage in Cambria County, and a third near the Somerset County town of Meyersdale.

The traffic victims ranged from a 14-year-old boy from Dallas R. D. 1, Luzerne County, to an 80-year-old Johnstown man.

### ABOVE HOLIDAY LEVEL

The record total topped the previous mark of 19 traffic deaths, recorded twice—on the Memorial Day and Labor Day weekends.

In addition, five persons died in non-traffic accidents, including three killed when their small plane crashed into the Toccoara Mountains near Port Royal, Juniata County. They were Navy Lieutenants Richard D. Eckard, 33, William A. Everett, 31, and Everett's wife, Shirley, 20. They were returning to Maryland after attending the Penn State-Navy football game Saturday.

## NEGRO CHURCH HOME BOMBED SUNDAY NIGHT

McCOMB, Miss. (AP) — A Negro church and the home of a Negro civil rights worker were bombed Sunday night and angry Negroes stoned a police car when it arrived.

Police said 2,000 or 3,000 Negroes attacked the patrol car with bricks and bottles when it drove up to the wrecked home of Aylene Quin. Negro leaders said about 150 were in the crowd.

The patrol car roared away from the scene, Jesse Harris, project director of a Negro voter registration drive, exhorted the crowd to "go at it peacefully."

### CROWD SERVICES

Spokesmen for the Student Non-Violent Coordinating Committee said the crowd dispersed. Police officials said they were too busy to talk about it at all.

Mrs. Quin, 42, operator of a cafe and a civil rights leader, said her two children were injured by the blast but not seriously. They were treated for minor lacerations.

The youngsters, Kathy, 9, and Jackie, 5, were sleeping in a

room at the back of the house. The bomb went off in front.

### CHURCH EMPTY

The Society Hill Baptist church, just south of McComb, was blasted into rubble about an hour after the explosion at the church home at 10:50 p.m. The church was empty at the time.

Negro spokesmen for SNCC said the bombings make a total of 13 here since the Council of 13 here since the Council of Federated Organizations, a coordinating group, opened operations here last June. There were some before that date.

In addition, about 10 churches have been burned. Officers said no evidence of arson was found. No arrests have been reported.

## 1,000 Tons Of Coal Dumped In Wreck

SALUDA, N.C. (AP) — A runaway freight train on a steep grade crashed off the end of an emergency siding Sunday sending 1,000 tons of coal helter skelter down Saluda Mountain.

The five crewmen of the Southern Railway train leaped to safety minutes before the six diesel engines pulling the 69 cars highballed off the end of the emergency siding. Four were uninjured. The other escaped with a sprained ankle.

The engines and 16 coal hoppers derailed. A witness said

while riding his bicycle a half mile north of this Luzerne County town.

Meyersdale—David W. Phillippi, 16, of Markleton, and James Cramer, 16, killed Saturday when the car they were riding in crashed into a bridge railing on Route 219, three miles north of this Somerset county town.

Mount Pleasant Mills — John Ashworth, 38, of Lancaster, killed Saturday in a two-car crash at an intersection about a half-mile east of this Snyder county town.

### ELDERLY VICTIMS

New Eagle—Mrs. Louis Leber, 72, of New Eagle struck and killed by an automobile in front of her home in this Washington county community Saturday night.

Girard—Christine Nichols, 80, of Lake City, killed Sunday in a crash involving three automobiles in Erie county.

Pittsburgh — Norman Oxenreider, 73, of Baldwin borough, killed Sunday in a two-car collision. He was driving one of the cars.

Pittsburgh — Lloyd Waltenbaugh, 63, of Brackenridge, killed Sunday in the crash of a tractor-trailer truck on the Tarentum-New Kensington bridge over the Allegheny River.

## BRISTLECONES TO BE STUDIED BY FORESTERS

BISHOP, Calif. (AP) — High on the barren upper slopes of the White Mountain of central California is a graveyard of twisted things that refuse to die.

They are bristlecone pines, some more than 4,000 years old and believed to be the oldest living things on earth.

They look their age. Some have only one branch left with a few needles. The older ones have lost all but a narrow strip of bark and their bare trunks have been polished by centuries of wind and dust and sun.

### KEEPS ON LIVING

They look like drift wood, but somehow they still live, with their gnarled roots sucking sustenance from soil too poor and dry for all other forms of life.

More than 100 of these botanical freaks have lived through 40 centuries and experts believe they're good for another millennium or two.

In an attempt to find out just how long the bristlecone pine can live in its natural environment, the U.S. Forest Service has set aside 28,000 acres in the White Mountains 20 miles east of here between the 9,000- and 11,000-foot levels, where the annual rainfall seldom exceeds 12 inches.

### SELDOM 30 FT. HIGH

Unlike the towering 3,500-year-old sequoia, the starved bristlecone seldom reaches 30 feet in height.

It gets its name from its cone, much like other pine cones except for a bristle that extends from each section of the waffled surface.

Why does it live so long?

Dr. Robert Wright of the University of Redlands Biology Department, who has made a study of the bristlecone, credits a dry climate and little if any competition in its home above the timberline for what nutrients can be scrounged from the mountain soil.

### SECRET OF ENDURANCE

Wet rot kills most trees at a comparatively young age. Even the giant redwoods, highly resistant to rot, eventually topple when they get so big their roots can't hold in soft, moist soil.

The scrubby bristlecone in its arid climate has no such problem.

Other bristlecones have been found in milder climates in mountain country eastward to Colorado, Wright says, but none begin to approach the age of those in the White Mountains.

Somehow, just learning to live in a virtually impossible environment, these tortured forms have found the secret of enduring longer than any other known kind of life on earth.

NEW YORK (AP) — In many firms when an employee gets a call to come into the president's office something big is brewing.

When president Irving J. Bettner of Esquire Polish calls employees no matter what he wants, he always ends up shoving the shoes of the person.

"I once called a man in to fire him for doing something drastically wrong but I still shined his shoes," Bettner said.

two of the engines plowed about 1,000 yards off the end of the siding.

The train, en route from Asheville to Spartanburg, S.C., was going down a grade which drops 1,000 feet in five miles when it went out of control.

## LOCAL MAN IS HURT IN DEPOT POWDER BLAST

Homer W. Baltzley, 41, 568 Elm St., escaped with minor injuries in an explosion of ammunition powder Monday morning at the Letterkenny Ordnance Depot at Chambersburg. One fellow workman was badly hurt and is in a serious condition in the Chambersburg Hospital. Three others suffered minor injuries.

Wayne Krugh, 56, a munitions operator from Shade Gap, suffered possible fractures of the left arm and right foot and multiple cuts of the face and head and is a Chambersburg Hospital patient. The others were treated at the post dispensary and were discharged.

Post officials said the five workers were inside a building salvaging powder from 120mm propellant charges when the explosion occurred. They said the cause of the blast has not been determined.

The others who were not seriously hurt were David F. Hess, 33, Hustontown; Scott Miller, 56, Three Springs R. 1, and Ray Bruce, 21, Hagerstown.

The accident occurred about 10 a.m. in an operational building known as "S9E." The men were salvaging the powder for re-blending and use in other charges.

## BRAKES FAIL; HOBBS BREAKS LEG IN JUMP

A trucker from Fairfield R. 2 is in satisfactory condition at the Chambersburg Hospital after brakes failed on his \$14,500 tractor trailer rig and he jumped before it crashed into an embankment.

James Hobbs, 30, suffered a compound fracture of the right leg and bruise burns of the entire body in striking the ground at the scene, the foot of the Neelyton Mountain Rd., Huntingdon County. Spectators said Hobbs and a brother were each driving tractors pulling loads of steel. The brother made the descent safely in his rig but James found he had no brakes near the bottom of the mountain.

Those at the scene said Hobbs stayed with the runaway rig until he safely passed a car ahead of him on the road. He sounded his horn continuously in warning, then leaped. The rig traveled another 300 feet, reportedly at high speed, before smashing into an embankment and continuing 40 feet into woods.

The accident occurred Saturday morning. The rig was demolished and steel from the load was scattered.

## Three 35-Man Crews Try To Extricate Four Men Trapped In Deep Shaft

By JOHN LENGEL

MERCURY, Nev. (AP) — Workmen sought urgently today to extricate a mass of electrical cable and free four men trapped 1,800 feet underground in a nuclear test shaft.

"It's a slow, agonizing process," said an Atomic Energy Commission spokesman. "The workmen have never come up against a problem like this before."

A steel cable supporting the electrical cable snapped about 6 p.m. Saturday and whiplashed upward, striking and killing one man and injuring three others, none seriously.

## CABLE COLLAPSED

The cable, thick as a man's wrist, collapsed in a spaghetti-like snarl and clogged the bottom 300 feet of the 1,800-foot shaft. The shaft, cylindrical and steel-lined, is four feet in diameter.

Three 35-man crews in eight-hour shifts were working at extracting the mass of cable.

## Two Professors To Get Ph.D. Degrees

Two members of the political science department of Gettysburg College received Ph.D. degrees this summer. Dr. Bruce Boenau received his from Columbia University in June and Dr. Robert Leh received his from the University of Pennsylvania in August.

Dr. Leh and Dr. C. E. Jarvis, chairman of the department, attended the annual convention of the American Political Science Association in Chicago earlier this month.

## OPEN CONCERT SERIES HERE ON OCTOBER 26

The 1964-65 community concert series will open in Gettysburg Oct. 26 with the Esterhazy Orchestra, volunteer workers were informed Monday evening at a dinner to launch the 26th season of the Community Concert Association of Adams County. The affair was held in the Hotel Gettysburg dining room.

Paul W. Grove, president, said that the schedule has been planned for Monday, Tuesday and Wednesday night in order to permit greater latitude for persons who wish to join the association. The Esterhazy Orchestra will appear the fourth Monday in October.

## SECOND CONCERT

The First Chamber Dance Quartet will present a program of classic ballet Tuesday evening, Nov. 24, and the Golden Curtain Quartet will appear Wednesday evening, March 17. All three programs will be presented in Christ Chapel, on the Gettysburg College campus.

Rev. W. R. Sammel, membership chairman with Lloyd V. Weidner, reported that several hundred advance membership renewals were received prior to the dinner. The membership goal for the season is 1,000, which will enable the association to schedule a fourth concert this year. Membership in the local association entitles members to reciprocity admission concerts to concerts in Frederick, Waynesboro and Chambersburg, where 12 concerts will be held during the season. The Frederick association will open Oct. 10 with duo-pianists Whitmore and Lowe, and will close March 25 with the Baltimore Symphony Orchestra. The Chambersburg and Waynesboro series will be announced later.

## DESK IN LOBBY

Mrs. Harold Dunkelberger will be in charge of the membership desk this week in the Hotel Gettysburg lobby, where volunteers are asked to report results of the drive. Rev. Mr. Sammel said that more than 50 volunteer solicitors will contact concert supporters throughout Adams County.

Membership tickets are offered at \$7.50 for adults and \$3.50 for students. Memberships may be reserved by calling Mrs. Dunkelberger at ED. 4-4000.

## UPPER ADAMS JAYCEES AID OLYMPIC FUND

The Upper Adams Jaycees raised \$100 for the U. S. Olympics Fund with its "Run for the Money" project held at the South Mountain Fair to seek donations toward the fund to send the U. S. Olympic athletes to Japan for the forthcoming Olympics. The Jaycees nationally are seeking to raise \$1,000,000 for the fund.

Dennis Little, chairman of the project, Monday night presented the results of the campaign to Robert Grubbs, treasurer of the organization, for forwarding to the national group.

The Upper Adams Jaycees at their meeting also heard a report that 70 attended the family picnic held by the organization Sunday at the South Mountain Fairgrounds.

Harold Ditzler, chairman for the club's political project "Learn the Score in '64," reported plans have been completed for a political debate for the public to be held Saturday evening at 7:30 o'clock at the South Mountain Fairgrounds.

Five members, according to reports at the meeting, attended a regional meeting for Area IV held at Shippensburg. Willard Raubaugh, state director, gave the report on the regional session.

## GATHERING OF YOUNG GOP IS HELD MONDAY

(See Photo on Page 3)

More than 100 Young Republicans from three counties met Monday evening at the Lamp Post Tea Room for a "get-acquainted meeting" marking the first of a series of joint sessions of the groups from Adams, York and Cumberland Counties.

The meeting also served to honor John Acton, Bryn Athyn, president of the Pennsylvania Young Republicans.

The Adams County Young Republican president, Atty. Oscar F. Spicer, served as general chairman for the session assisted by Robert Minnick, York County Young Republican president, and Jon LaFavre, Cumberland County Young Republican president.

## NO SPEECHES

Among other state Young Republican officials present were Vice President Marian Metro, Pittsburgh; Secretary Isabelle Rudisill of Lancaster and State Directors Thomas Gable and Harold Shriver. Shriver noted that of the five Young Republican officers, two are graduates of Gettysburg College with the class of 1956. Shriver, a resident of Palmyra, is one of the Gettysburg College graduates, National Committeewoman Sylvia Fenstermaker, Allentown, is the other.

There were no speeches at the "get-together." Among political figures present to mingle with the group were Congressman George Goodling, state Senator Elmer Hawbaker, Assemblyman

## Fairfield School Board To Study Opportunities For Youth Training In New Act

The Fairfield Area School Board Monday evening discussed at length the Economic Opportunity Act of 1964, which provides federal funds for training local youths and adults to improve the economy of the community. The bill, which has been endorsed by Gov. Scranton, became effective August 20 when President Johnson signed the Antipoverty Bill.

Dr. Curvin C. Smith, in his first appearance before the board since he became supervising principal of the Fairfield School System September 1, said that he feels "the school has an obligation to provide some of the experiences offered under PL 88-452 for local boys and girls." He reported that the bill provides \$946 million to promote the program in depressed areas of the U. S.

"While I do not mean to imply that Fairfield is depressed," he explained, "we are in the middle of the Appalachia area and parts of this program will fit the needs of our community." He emphasized that the program could help to prevent school drop-outs by providing work-training programs, and could aid unemployed youths in a work-study program to prepare them for skilled positions in the community.

## NONE APPLIED YET

Smith said that "no other school system in the state has applied for permission to act as the local agency under this bill," and urged board members to consider prompt investigation of the provisions. He predicted that the Fairfield community would be eligible to receive as much as \$100,000 for a local program which could provide shops for agriculture and industrial arts programs, a vocational agriculture classroom and a greenhouse.

A number of directors argued against accepting federal funds offered under the Antipoverty Bill on the grounds that "so long as we take these things they will be continued" at the expense of the taxpayers. Other members argued, "Regardless of what we do here in Fairfield, the bill has been passed, the money is available and we'll be paying for someone else's opportunity."

## SAYS THIS IS CRUCIAL YEAR FOR UF HERE

"This is the crucial year—the United Fund can either make or break this year," Richard Guise, United Fund campaign chairman, told the Rotary Club at its meeting Monday evening in the YWCA.

"We have failed to make clear to the general public that United Fund is a method of supporting 11 agencies by one campaign. If the fund fails, that will mean 11 additional campaigns will have to be held each year to provide the funds needed by these agencies. Frankly 11 campaigns instead of one is the less efficient way to do it, and also frankly the number of capable people willing to help in these fund drives is limited."

"Somehow we have to get across to the public generally, and we have not been able to do that so far apparently, that United Fund is really the easy way of supporting these agencies."

## ENDED DEFICIT FINANCING

"If there have to be 11 drives to replace United Fund, a lot of people are going to have to do a lot more work, and the general public is going to have a lot more annoyance from solicitors constantly calling at their doors."

"United Fund had been operating on deficit financing the last few years. When it failed to make its goal, it got the money needed for the agencies from the next campaign. But that does not work forever. Last year we dropped the deficit financing, and gave to the agencies the amount we raised—and it meant a 20 percent cut for them. As a result, we had to allow several of them to conduct additional drives to make up the deficit."

"This year, I think we are in the make or break position. If we do not make our goal this year I feel we are in great danger of losing the United Fund."

## NEED \$5 AVERAGE

"United Fund was established in 1948 and a lot of you say that since then here have been many campaigns as ever—why

## NIMRODS RUSH FOR LICENSES TO HUNT DOE

Monday, the first day on which Adams County Treasurer Daniel J. Wolff could accept applications for doe hunting permits, found business brisk at Wolff's office at the courthouse where nearly half of the 2,300 licenses allocated for this county already have been applied for.

This morning Treasurer Wolff said 1,025 of the doe permits have been applied for and 865 of those applications were handled over the counter in his office on Monday. The others had been applied for by mail.

While Monday was the first day for the county treasurer to receive doe license applications, none can be issued until November 9 when Mr. Wolff's office will begin issuing the licenses by mail. The antlerless deer season has been set for December 14 and 15.

The season for bucks opens November 30 and will extend through Saturday, December 12.

Many of the prospective doe hunters also bought regular hunting licenses Monday and the county treasurer listed this record volume of business for the day: 231 resident hunting licenses, 25 archery licenses, 14 junior resident hunting licenses to youngsters 16 years and under, one nonresident license, one fishing license, one dog kennel license, five individual dog licenses in addition to handling the 1,025 doe permit applications.

Mr. Wolff noted that doe license applications cannot be given to nonresident hunters until 30 days before the opening of the season. He said it is very unlikely that any of the 2,300 doe permits will be available at that late date.

## FORFEITS FINE

James L. Brown, Taneytown, recently forfeited \$13 in Westminster on a charge of exceeding 50 miles per hour.

## CAR REPORTED STOLEN

State police notified borough police this morning that the 1960 Valiant of Bessie Imler, Gettysburg R. 2, had been reported stolen during the night.

## Runaway Boy, 10, Picked Up Here

Gettysburg police returned a 10-year-old runaway to his guardian Monday night as a result of the action of an unknown motorist.

According to the borough police call sheet, a motorist halted the officers on York St. at 6:15. They told police that near Fayetteville a 10-year-old-boy had hitched a ride with them. They thought he wanted to go to his home nearby and gave him a lift. They then found that he was headed for Lancaster. After letting him off here they said they wanted the officers to investigate because it just didn't seem right to them that a 10-year-old would be traveling that far.

The officers found the youngster at Fourth and York Sts. and learned he had run away from home, Chambersburg R. 2. They notified his guardian who arrived for the child at 10 o'clock Monday night.

## MORE FOSTER HOMES MAY BE NEEDED HERE

The number of children under Adams County Child Welfare Care is now 126 and additional foster homes are sought for use if the number climbs higher.

Miss Dorothy Curtis, Child Welfare secretary, told the county Child Welfare Advisory Board at its meeting Monday evening in the organization's office in the Topper building that service was started for two children during August while none were dropped from the rolls, thus bringing the total to 126, compared to about 99 a year ago. The 126 currently on the rolls are from 59 families.

Miss Curtis said there are sufficient foster homes for the 37 currently in foster homes, but that more are sought in case of additional need. Persons interested in providing foster homes for children under Child Welfare are asked to contact the office. An investigation must be made prior to placing the homes on the available list in order to know which children would benefit most from which home, and the hope is to establish a "backlog" of foster homes to have them available when need arises. The county pays a sum to the foster homes to take care of the children's board and takes care of their clothing, medical, etc. needs.

## 34 IN INSTITUTIONS

In addition to the 37 children currently in foster homes, but that the homes of their parents, 34 in institutions and four are in adoptive homes.

## DRIVER INJURED

A driver was treated by a doctor following a two-car crash three miles south of Gettysburg on Route 15 about 2:20 p.m. Saturday.

State police said J. Guy Wolf, 72, of 225 Lincolnway West, New Oxford, pulled out from Confederate Ave. into the path of a car driven by Jennie Motter, 40, Emmitsburg, who was traveling south. Motter was treated for minor injuries. Damage was \$200 to the Wolf vehicle.

## Paper Clip Is 32 Miles Long Under New Electron Microscope Linked By TV

CAMDEN, N.J. (AP) — Television has been linked with the electron microscope, opening the scientist's eye today to things he has never seen before.

## EISENHOWER TO MAKE TV TALKS TO HELP BARRY

The Associated Press

Republican presidential nominee Barry Goldwater says former President Dwight D. Eisenhower may make several nationwide television appearances in support of the GOP ticket.

Goldwater made the announcement Monday after meeting with Eisenhower at his farm here to tape a half-hour show (for NBC) scheduled for broadcast tonight as a paid political telecast.

"I expect him to do several of these TV shows, it's just a question of when," Goldwater said before returning to Washington to prepare for a campaign speech at Charlotte, N.C., Monday night.

## "TRUE POSITION"

Brig. Gen. Robert Schulz, an aide to Eisenhower, said, however, he knew of no plans for future television shows involving the former president.

"Any plans along this line would have to come from the Republican National Committee," Schulz said.

Goldwater said the purpose of tonight's program is to "give the public a true position of the Republican candidates and the former president a chance to comment on the campaign."

When asked if the program represents an effort to show that he and Eisenhower are in agreement on all issues, Goldwater replied: "Not necessarily."

Goldwater and Eisenhower spent six hours together in the friendly setting of the former president's farm here.

## REC DIRECTOR TELLS BOARD OF FALL PLAN

Opening of the fall programs was reported Monday evening to the Gettysburg Recreation Board at its meeting in the junior high school.

Recreation Director Ray Thompson reported 72 Fifth Grade and 48 Sixth Grade boys have reported for touch football. The bowling season has opened with 64 taking part in the Saturday afternoon sessions for the eight to 12-year-olds and 48 for the Saturday morning sessions for those 13 years of age and over.

Thompson reported preliminary plans for a wrestling program for junior high school age boys and plans for a girls' activity program after school probably in one of the elementary school all-purpose rooms.

## NEGOTIATORS STRIVING TO STOP STRIKE

DETROIT (AP) — Negotiators for General Motors Corp. and the United Auto Workers Union stepped up their bargaining efforts today to prevent a threatened nationwide walkout at the auto industry's biggest company.

Prodded by two strike deadlines, negotiating teams were expected to hold lengthy sessions this week and next to thrash out both a new contract for 354,000 UAW - represented employees and to settle local grievances.

UAW President Walter Reuther served a double strike notice on GM Monday, threatening to pull assembly-line workers off the job at 10 a.m. Friday unless a new national agreement is reached by that time.

**PLAN WALKOUTS**  
Simultaneously, the union advised the giant automaker that even with a national contract on economic and noneconomic issues, there will be walkouts one week later if no settlement is forthcoming on more than 18,000 local at - the - plant demands.

Such a strike would affect 129 GM plants in 71 cities.  
The UAW made its move as GM came up with a new economic offer virtually matching the agreements reached by the union earlier this month with Ford and Chrysler.

**ECONOMIC PAR**  
Louis Seaton, GM vice president in charge of personnel, said the proposal was in line with the pattern established originally at Chrysler and would put the company's hourly rated workers "on an economic par with respect to wages and benefits."

The GM official warned, that the economic proposal would become effective "only upon the negotiation of a mutually satisfactory agreement of at least three years' duration, the resolution of all the national and local demands of each party."

Reuther said working conditions, production quotas and union representation were key issues at GM.

## Ogden Nash's Car Robbed; He Pens Verse

BOSTON (AP) — "I'd expected to be robbed in Chicago, but not in the home of the cod."

"So I hope that the Cabots and Lowells will mention the matter to God."

The robbery occurred last Wednesday night in the parking lot of Boston's plush Ritz Carlton Hotel.

The author of the above lines? It has to be humorist Ogden Nash.

Nash wrote to a Boston newspaper, the Globe, Monday asking for help in the return of \$7,000 in luggage and personal effects taken from his car.

"Since I am sure there are no thieves among your readers, I make this appeal to whoever FOUND three suitcases and two dress bags in my station wagon," he wrote.

Nash said many personal items in the suitcases, such as family photographs and old checkbooks "are of value only to us."

Nash and his wife were in Boston for a conference with his book publisher.

## Lloyd G. Ohler, 76, Emmitsburg, Dies

Lloyd G. Ohler, 76, died Monday evening at 6 o'clock at his home, 309 E. Main St., Emmitsburg.

### BUSY SESSION

(Continued From Page 1)

Dr. Smith said that 12 boys will be involved in the program this year, and added that he has received assurance of cooperation from local residents who would be eligible to engage in the program. The students would be permitted to work 10-15 hours a week, after school and on weekends, learning the local businesses available to them, and they will be paid by the employer at the rate of 85 cents an hour. Dr. Smith said that he feels parents will cooperate with the program in giving their permission to boys who enroll in the program.

In other business, the board renewed the contract of John Herring to transport kindergarten pupils at the rate of \$4 a day, and approved a contract for Samuel Musselman for kindergarten transportation at the rate of \$3.50 a day.

Authorized Carl S. Menchey, county register and recorder, to collect real estate transfer taxes for the merger.

Authorized Mrs. Mabel Brown to collect delinquent taxes for the Fairfield Area Board.

Authorized Dr. Smith to receive federal funds for children of parents employed by the federal government.

### SET CUTOFF DATES

Following a discussion concerning tuition pupils attending the Fairfield schools, the board ruled that no more pupils may be accepted for kindergarten, which has an enrollment of 60, and voted to close the doors to new tuition students, except by board approval and at the request of a neighboring school district on a reciprocal basis. They set October 31 and April 1 as deadlines for entering and remaining in the school district tuition-free.

The board also voted unanimously to pay Richard Straup, who served as temporary supervising principal for six weeks \$1,000 for the additional service to the district.

Bills in the amount of \$34,648.73 were approved for payment and \$29,733.60 was invested in treasury bills. Deposits for the month totaled \$64,000.

## DO NOT REVEAL TARGETS FIRED ON BY YANKEES

WASHINGTON (AP)—American destroyers were reported out of the Gulf of Tonkin today but what they hit there—if anything—remained a mystery.

Informed sources said the two vessels which fired on radar-spotted targets Friday have been pulled out of the gulf between Red Chinese and North Vietnamese coastlines after finishing their patrol on schedule.

When another destroyer patrol will sail in was left indefinite, but government sources said U.S. vessels will continue to exercise the right to roam international waters. The Navy craft have been going into the gulf periodically despite three incidents since Aug. 2.

The latest shooting occurred in the dark Friday when the two U.S. destroyers opened fire on what appeared to be menacing craft showing on their radar screens. Authorities said the radar definitely locked onto solid objects. According to the U.S. account, there was no return fire and the objects disappeared from the radar screens.

U.S. sources said investigation so far has produced no evidence of hits, such as debris or floating bodies. A Navy team has gone to the Far East to make an inquiry. It is not expected back until late next week.

The Soviet news agency Tass said Monday that the Americans fired at five ships, sinking three of them.

This seemed to come as a surprise to Washington officials, including President Johnson. He said he knew nothing about the Tass report and that newsmen had all the information the U.S. government has on this.

Secretary of State Dean Rusk told a Los Angeles news conference he would not speculate on the Russian claim.

He added that the United States "is not going to be pushed out of the Gulf of Tonkin. He said the United States will insist that the Communists of North Viet Nam and China realize that the gulf is an international body of water — not a "Communist lake."

There was speculation that the Russians might be putting out the Tass story in an effort to prod more information out of the U.S. government. Another theory was that Soviets got this data from North Viet Nam — though neither Hanoi nor Peking has put it out.

## MORSE BLASTS HIS SENATE COLLEAGUES

WASHINGTON (AP) — Sen. Wayne Morse has blasted his liberal colleagues in the Senate for supporting even a mild alternative to the Dirksen reapportionment proposal, promising that he'll filibuster against any "affront to the Supreme Court."

This blast from the Oregon Democrat and his pledge of a one-man showdown filibuster to drive the issue from the Senate floor further complicates efforts to resolve the Senate stalemate over reapportionment of state legislatures — an issue upon which adjournment of Congress is riding.

So dim are the prospects for finding a way out, Democratic Leader Mike Mansfield of Montana confided Monday, Congress "will be lucky" if it can quit by Oct. 15.

### TIES UP SENATE

Morse is among the liberals who have tied up the Senate by fighting a proposal by Republican Leader Everett M. Dirksen of Illinois to delay for a year or more compliance with a Supreme Court order that both houses of state legislatures must be apportioned purely on the basis of population.

In many state legislatures rural areas have a disproportionate voice over urban areas. The court seeks to correct this on the basis of one person-one vote.

Mansfield has joined Dirksen in his proposal and the two are working on a modified version. On the other hand, Sen. Clinton P. Anderson, D-N.M., is trying to come up with a nonbinding "sense of the Congress" substitute.

### TURN TO COURT

Such a substitute would ask the courts for reasonable time to permit the states to comply with the court ruling. The Senate turned down such a compromise move last week by a whisker — 42 to 40.

That some liberals supported the substitute was the subject of Morse's blast Monday. He said that when he returns Thursday from the funeral of Rep. Walter Norblad, Oregon Republican who died Sunday, he intends to filibuster against both the Dirksen proposal and any substitute until the issue is sent to the Judiciary Committee for hearings.

"I'm willing to stay here until I drop to prevent a Senate affront to the Supreme Court," Morse declared.

# RICHARD NIXON WILL CAMPAIGN IN 36 STATES

Former Vice President Richard M. Nixon this morning predicted victory for Senator Hugh Scott in the November election.

"He is a very strong man and will lead the ticket in Pennsylvania and will win the election," he said.

The former vice president during General Eisenhower's two administrations and Leonard Hall, former chairman of the Republican National Committee, spent 90 minutes with General Eisenhower this morning discussing the upcoming campaign and plans for their individual participation.

The two national leaders flew to Gettysburg from New York and arrived at the Eisenhower offices on Carlisle St. about 9:30 o'clock.

## IN 36 STATES

Nixon said he will appear in 36 states in the next six weeks and will deliver more than 100 speeches on behalf of state and national Republican candidates. He will campaign for Sen. Scott and the Goldwater-Miller ticket in Harrisburg and Erie during October. The Harrisburg affair will be a fund-raising dinner and the Erie appearance will be a four-county rally which will be televised throughout Pennsylvania, New York state and Ohio. Nixon said the dates have not been announced definitely.

Hall, who is handling the campaign schedule for Gen. Eisenhower, said that the former president has received hundreds of requests to appear before Republican groups in the 50 states. Eisenhower has already announced that he will appear in Oklahoma and Illinois on behalf of the party candidates. He also will appear on television programs with other national leaders in an effort to reach the voters, Nixon said.

## "HOT" CAMPAIGN

The former vice president predicted that the campaign campaign will be "very hotly contested," and advised that early jobs be "taken with a grain of salt." He said that television and jet transportation provide great opportunities in modern campaigns.

He said that he will continue to keep in close touch with General Eisenhower over the next six weeks by telephone and expects to see him personally several times before November 3.

Following the conference with General Eisenhower, Nixon, Hall and Dr. Kevin McCann conferred at the Hotel Gettysburg over coffee.

Our future is to be controlled . . . by young folks of today . . . the children who we come upon . . . along life's toilsome way . . . the older folks can do a lot . . . to make the future bright . . . by setting good examples and . . . just doing what is right . . . the children of today will be . . . the leaders of tomorrow . . . the people who will make us glad . . . or bring us untold sorrow . . . that's why we all should try at least . . . to give our youth the best . . . so when they reach maturity . . . they're equal to each test . . . the great responsibility . . . falls on the older heads . . . we fashion future brilliantly . . . or tear it into shreds . . . it all amounts to merely this . . . on youth so much depends . . . and things we do for youth today . . . will pay great dividends.

## SAYS THIS IS

(Continued From Page 1)

can't we get all of our drives into one?

"The answer is money. United Fund has never made enough to support all of the organizations. And so a number refuse to enter it; they conduct their own drives. 'Most people will give \$1 to every drive, thus the likelihood would be that if all of the agencies in United Fund came around individually they would receive \$11. Now all we need for United Fund is an average gift of about \$5. But unfortunately the average is about \$2, and that is not enough. That's only about 18 cents per agency."

### GOAL NOT UNREASONABLE

"Certainly, the \$32,000 sought is not an unreasonable goal for our community. Our Adams County Public Library is one of the finest for its size in this section; the work of the Salvation Army is well known and appreciated; Cerebral Palsy provides medical, vocational and educational services for the afflicted and their families; the Boy Scouts and Girl Scouts are certainly worth assistance and carry on most valuable programs; the Civic Nurse Association has served the town for many years; the YWCA and Red Cross fill important needs. And the three groups to which we give small sums are certainly well worth the amount we provide: \$100 for the USO to help provide a home away from home for our armed forces is not too much; the \$155 for the Pennsylvania Citizens Council is worth it for the information it provides alone; the \$203 for Pennsylvania United Fund is certainly not out of line."

"These are agencies that fill a basic need to our community. We need them all. And United Fund is the easy and efficient way to provide the funds we will have to secure in one fashion or another. I know that United Fund can do the job — all that is needed is the public support."

President C. William Harbaugh presided at the meeting. Vice President Stanley Hull reported Dr. Milton Stokes will be in charge of the meeting next Monday, the district governor will speak October 12 and William G. Weaver will give a fire prevention program October 5.

President Harbaugh displayed a wooden gavel made by Ralph Applewhite, a Rotarian from Mississippi, sent by him to the club here with an accompanying letter noting that he felt he had to send some gift to the club because of the pleasure he had in attending a meeting of Gettysburg Rotary during the summer.

## 957,900 Cigars Are Stolen Sunday

FORTY FORT, Pa. (AP) — State and local police are investigating today the theft of 957,900 cigars valued at \$45,000 from the General Cigar Co., Forty Fort.

Plant manager Joseph Adamchick said the 320 cartons of stogies were taken from a railroad car during the weekend. The cigars were consigned to Seattle, Wash.

Miller Sr., reported the vehicles involved as those of Louis Herbert Anderson, Bowie, Md., and Elmer Small, York. Damage was \$150 to the Small car and \$300 to Anderson's vehicle.

## Abbottstown

MRS. DELLA N. BUTT ABBOTTSTOWN — Bernard Anthony Jr. has resumed his studies at Elizabethtown College.

Mr. and Mrs. Charles Chubb and son, Frank, have returned to their home after a two-week sight-seeing trip through the western states.

Mr. and Mrs. Thomas Kelly have moved to Leesburg, Fla.

Mrs. Harold Koozt is a patient at the Hanover Hospital.

The Lions Club will mark its 25th anniversary Thursday evening at a community supper at 6 o'clock in the fire hall. All local families are invited to attend.

The Volunteer Circle Class of St. John's Lutheran Sunday School will meet Wednesday evening at 8 o'clock at the home of Mrs. Charles Smith.

Josephine E. Weaver of 511 Fourth St., McSherrystown, is shown here working with the UNIVAC 490 Real-Time System in the American Library Association's Library/U.S.A. Exhibit at the United States Pavilion at the 1964-65 New York World's Fair. She is participating in this dramatic first demonstration of what may be the reference library of the future. Such a system would enable librarians anywhere in the country to contact information centers for instantaneous reference information on 75 subjects and will print out 700-word reports written in for two different grade or education levels and in four different languages, English, French, Spanish and German. Miss Weaver is a librarian in the Special Services Sections at Fort Devens, Mass. She is on temporary duty at the World's Fair undergoing training on the use of the Univac 490 System.

## Weddings

MRS. PALMER

The marriage of Miss Helen Margaret Biesecker, daughter of Mr. and Mrs. Harry L. Biesecker, New Oxford R. 2, to Jack H. Palmer, son of Mr. and Mrs. H. W. Palmer, York Springs R. 2, took place Saturday at 1:30 p.m. at St. Paul's "The Pines" Lutheran Church, New Chester. The Rev. Dr. M. R. Hamsber, supply pastor, performed the double-ring ceremony. The church was decorated with white and colored gladioli. Mrs. Ronald Dellinger was organist, Albert S. Ebbert, Litz, uncle of the bride, was soloist.

Given in marriage by her father, the bride wore a three-quarter-length gown of Chantilly lace over satin. The fitted bodice featured a round, scalloped neckline and long lace sleeves tapering to points over the hands. The skirt featured four tiers of Chantilly lace. Her elbow-length veil fell from a handkerchief crown of sequins. She carried a cascade arrangement of white pompons and pink roses in the form of a cross over a white Bible.

Miss Phyllis Baugher, New Oxford R. 1, a classmate, was her maid of honor. She wore a street-length paraffa taffeta dress with a full skirt and elbow-length sleeves. It featured a white lace bodice and the scoop neckline tapered to a "V" in the back, set off with a bow and matching headpiece.

The bridesmaids were Misses Janet Black, Gettysburg R. 4, and Marlene Spicer, New Oxford R. 2. Their ballerina-length dresses were blue chiffon with matching lace bodice and headpiece. Each attendant wore white accessories and corsage of yellow rosebuds.

Rev. Dean Hepper, Camden, N. J., was best man. Ushers were Rodney Palmer, York Springs R. 2, brother of the bridegroom, and John Holtry, Mechanicsburg R. 2, brother-in-law of the bride.

A reception was held in the parish hall for approximately 150 guests. Following a week's wedding trip the couple will reside at Camden Home, 1656 Kaighn Ave., Camden, N. J.

Mrs. Palmer is a 1964 graduate of New Oxford High School and will be employed at the Camden Home. The bridegroom is a 1967 graduate of Biglerville High School and is employed at Cam-

den Home, Camden, N. J.

Miss Jonetta Eileen Hinkle, daughter of Mr. and Mrs. Richard C. Hinkle, York Springs, and Larry Lee Warner, son of Mr. and Mrs. Ottoman E. Warner, 351 York St., Carlisle, were married Sunday afternoon at 2:30 o'clock in the Chestnut Grove Lutheran Church, York Springs. The Rev. Howard Smith, Dillsburg, uncle of the bride, performed the double-ring ceremony.

George Boyer was the organist and Clair Tritt, the soloist. John Hinkle II, cousin of the bride was the acolyte.

The bride, given in marriage by her father, wore a formal gown of peau de soie and silk organza with stonematis floral embroidery.

MRS. R. C. HINKLE

encrusted with seed pearls, and a princess panel front of peau de soie which fell to a chapel train. Her elbow-length veil of pure silk illusion was held by a princess crown of seed pearls and crystals, featuring a suspended crystal heart and two pearl tears. She carried a Bible, topped with a white orchid.

## MAID OF HONOR

Miss Janet Hinkle, Carlisle, sister of the bride, was the maid of honor. She was attired in a floor-length gown of laurel green, organza on taffeta, bell-shaped skirt, elbow-length sleeves. A floating panel was attached Watteau style in back. The bridesmaids were Miss Marian Hoffman and Diana Bucher, both of York Springs, who wore identical gowns as the maid of honor but in a gold color. They all carried cascade bouquets of yellow and bronze chrysanthemums and ivy foliage.

The flower girls were Heidi Leer, New Jersey, and Lora Ann Leer, York Springs. The ring-bearers were Rickey Watkins, New Oxford, and Billy Smith, Dillsburg. The flower girls and ring-bearers are all cousins of the bride. The flower girls wore white A-line dresses with gold trim and carried baskets of yellow chrysanthemums.

The best man was Donald Buchner, Carlisle, cousin of the groom, and the ushers were Robert Lee Finnen and Olden O. Long Jr., both of Carlisle.

press secretary, said the discussion centered around "the main issues of the campaign—national defense, economy, government, public morality and law and order."

At an impromptu news conference at the airport, Goldwater, looking tanned and fit, said he expects Eisenhower to do "quite a bit of campaigning" for him.

The former president already is scheduled for appearances in Chicago and Oklahoma City.

"His other campaign plans are entirely up to him, when he can do it," the senator added.

Goldwater flew here from Washington Monday morning, landing at the Sullivan Airport. The nominee was accompanied by six members of his staff.

Before getting down to business, Eisenhower gave Goldwater a tour of his farm, showing him the barnyard and several dozen prize Black Angus cattle.

As for the campaign, Goldwater said he was pleased. "We're still underdogs," he said, "but that's normal when the Democrats have the majority. We'll be upper dogs before long."

Act provides numerous categories of benefits to communities including:

The Job Corps program which would establish resident camps for extended educational work training experiences for boys and girls 16 to 22 years of age who have dropped out of school or who are unemployed.

### PLAN RECESSED MEETING

The Work Training program, also called the Neighborhood Youth Corps, which would give financial support and encouragement to young people who have dropped out of school or who are potential dropouts.

The Work-Study program which would stimulate and promote part-time employment for students from low-income families to attend institutions of higher learning.

Among the 10 or more programs offered to improve economic conditions in communities is an adult basic education program which would assist uneducated adults who are unable to read and write and train them for appropriate positions in the community.

Because of the interest evidenced by the board, President Joseph Lowe recessed Monday's meeting to permit a continuance at which the board's attorney can explain the bill further to the board before the next regular meeting.

2. The changes of specimens as their temperatures are raised or lowered, or are stretched or magnetized can now be viewed and also recorded on TV tape for future playbacks. Thus a TV tape can be made as a microscope records the stretching of a fiber until it snaps.

3. With image intensification, still photographs can be snapped in a fraction of a second.

4. Classrooms can watch the microscopic examination on TV, either at the exact time of the experiment or via tape.

of 37,000, which was 9,000 higher than the prior year. A small profit from the refreshment stand at Recreation Park was reported. The board tries to keep prices at the stand at such a level that it "breaks even" rather than shows a profit.

Efforts of one of the organizations which uses the playground to improve the area assigned it, which conflicted with plans for improvements then underway by the Recreation Board, led to a decision to establish a general policy to provide better coordination between groups using the facilities and the board. The policy was stated as: "Any and all groups or organizations must receive permission and authorization from the Recreation Board for use of facilities. The same permissive authority must be obtained for any changes in existing facilities."

### DRIVED FINED

Judge Dale F. Shugart, Carlisle, Monday, suspended a jail sentence for three months on Rodney L. Greene, Gardner, who entered a plea of guilty to driving without being licensed. Greene was directed to pay costs and \$100 for the use of Franklin County.

Out Of The Past  
From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTY YEARS AGO  
City Property for Eddie  
Plank: The Philadelphia Press  
says "Jackie" Coombs, or to  
be more exact, Mr. "Jack"  
Coombs, and "Eddie" Plank,  
the two gentlemen in question  
having gained the distinction of  
having their names household  
words, through their ability as  
pitchers, have joined the ranks  
of Philadelphia's solid citizen-  
ship, each having become a  
real estate owner, according to  
deeds recorded yesterday. One  
deed conveyed the three two-  
story houses, 2742, 44 and 26  
Hemmerger St., above Lehigh  
Avenue, in the Thirty-Eighth  
Ward, from W. Godey Ellis to  
Mary E. Coombs, while the other  
conveys the properties 2748 and  
50 Hemmerger St., adjoining the  
foregoing to Edward S. Plank.  
Considerations in each instance  
are given as nominal. Each  
house occupies a lot 14 feet 6  
inches by 45 feet and each is as-  
sessed for taxation at \$1,900.

Business Change: Will M.  
Seligman, for several years the  
proprietor of "The Quality  
Shop" in the First National  
Bank Building, this morning  
sold out the business to A. Z.  
Rogers and William Martin,  
both of whom have been con-  
nected with the establishment  
for some time. They will con-  
tinue the tailoring and haberdashery business under the firm  
name of Rogers and Martin.

Little Girl Is Run Down:  
Dorothy Bowers, the little daugh-  
ter of Mr. and Mrs. John Bowers,  
Stratton St., was run down by  
the electric coupe of Mrs.  
Annie M. Warner about half  
past three o'clock this afternoon  
and seriously hurt. The accident  
occurred at the corner of  
Baltimore and Middle streets.  
Eye witnesses of the accident  
said that Mrs. Warner, who was  
driving the car, was apparently  
having some trouble controlling  
it and when the heavy car  
struck the little girl at the cross-  
ing it followed the child, push-  
ing her into the gutter. The ma-  
chine was finally stopped and  
pedestrians picked up the little  
victim. She was carried into the  
office of Dr. H. M. Hartman  
nearby and a hurried examina-  
tion showed one leg broken and  
possible internal injuries. She  
was bleeding at the mouth and  
evidently seriously hurt. No  
damage was done to the auto-  
mobile.

Places Tablet: William Smyser,  
of Topeka, a son of the  
late Judge M. Smyser and a  
brother-in-law of the late Judge  
Wills, is spending several days  
here with Mrs. Smyser. Their  
purpose in coming is to place  
a tablet in the Church of the  
Prince of Peace.

Dashed Into Glass: One of a  
herd of cattle being driven on  
Baltimore street last evening  
suddenly spied its own reflection  
in the door window at the Book  
Store and made a dash for the  
imaginary foe, smashing the  
glass into a hundred pieces. No  
further damage was done and  
the animal escaped without the  
cuts that might have been ex-  
pected.

No Side Door Mail Delivery:  
The stopping of the practice of  
the letter carriers going to the  
side or back doors of residences  
in Gettysburg as well as other  
places in the land, and the sug-  
gestion that some sort of front-  
door slots or boxes be installed  
on all residences are the latest  
edicts from the National Post  
Office Department.

Today's Talk

POWER AND CONTENTMENT

Contentment shies away from  
great power. He who seeks only  
power in the world will have a  
great bill to pay sometime —  
and usually the bill is never  
met!

All one has to do is to read  
history. Where did the power of  
Alexander, Caesar, Napoleon,  
and lastly Hitler, lead them?  
Gray's Elegy outlives them all.  
You know the familiar lines:

"The boast of heraldry, the  
pomp and power,  
And all that beauty, all wealth  
e'er gave,

Awaits alike the inevitable hour:  
The paths of glory lead but to  
the grave."

The champion's years are all  
numbered. His day of glory is  
also brief. But he who contents  
himself with daily deeds of good-  
ness, honesty and enrichment  
of mind, rounds out a life, gains  
contentment, and is sensitive to  
every call for help by those who  
would experience the thrills that  
he has known.

The measure of one's life  
must be appraised by spiritual  
gains, and not by those of ma-  
terial origin. This material age  
of ours is smothering "the last  
best hope of earth," in Lincoln's  
words. We are forgetting that  
soul contentment alone is im-  
mortal. More people daily per-  
ish for want of spiritual nour-  
ishment than from body hunger,  
essential as the latter may be.

America's material power is  
being challenged by its spiritual  
power. Either this spiritual power  
controls its material power, or  
its ascendancy ends. And this is  
true in the case of any nation,  
as history has long proved. The  
aspiration of the humblest  
citizen is indicative of the aspi-  
ration of the nation as a whole.

In unity of spiritual power alone  
is there hope for continual con-  
tentment among any peoples.

And this is just as true among  
individuals as among nations.  
Lincoln, as President, held great  
power, but it was modulated  
and consumed by his own humil-  
ity, his compassion, and his  
sense of justice. Thus does his  
greatness grow as time goes on.

We can be content with so lit-  
tle, if we make that little radiate  
afar! In itself that is the expe-  
rience of power.

INTOLERANCE

'Tis strange he doesn't sneer at  
me  
Because my favorite drink is tea,  
Nor look in hate on me when I  
Decline to take his choice of pie.

He lets me choose my style of  
dress  
And seems to like me none the  
less;

Nor has he quarreled once about  
The hat I wear when I go out.

In many ways he thinks me odd,  
But only when I worship God  
And say the prayer that comforts me  
Does he intolerant grow to be.

Strange man! Who leaves me free  
to choose  
What ever pleases me to use  
And yet belittles everywhere  
My chosen form of creed and  
prayer.

YOUNG WOMEN  
HOLD ELECTION

The first fall meeting of the  
Young Women of St. Paul's Lu-  
theran Church was held Sunday  
evening in the form of a picnic  
at the home of the class teacher,  
Mrs. Hildah Arter, Cemetery St.  
Extd.

New officers were elected and  
projects for the year were se-  
lected at the business period  
which followed the meal. The of-  
ficers are: President, Mrs. Bea-  
trice Sell; vice president, Mrs.  
Marie Aulthouse; secretary, Mrs.  
Dolores Snyder; treasurer, Mrs.  
Dorothy Snyder; cheer commit-  
tee chairman, Mrs. Aulthouse.

It was planned to serve a ban-  
quet to the Sunday School officers  
and teachers on Monday, October  
19, in the church social hall. Ar-  
rangements are in charge of Mrs.  
Aulthouse. The monthly business  
meeting of the class will follow  
the serving.

It was decided to send flowers  
to the prospective mothers of the  
church. The class will sell Christ-  
mas candy again this year. Those  
desiring order sheets may secure  
them from Mrs. Arter, Mrs. Sell  
or Mrs. Snyder. The class is spon-  
soring a local Brownie and Girl  
Scout troop and will sponsor the  
visit of American Field Service  
students to the community next  
July. The following events were  
tentatively planned: December,  
family covered dish and holiday  
party; November, showing of  
slides of the summer visit of the  
American Field Service students  
in town; April, the class will  
serve a banquet to the church  
choirs; June, a banquet will be  
served to the new members of  
the congregation.

41 MAKE TOUR  
Forty-one members and friends  
of the Ever Willing Class of St.  
John's Lutheran Church partici-  
pated in a bus trip Saturday. The  
group visited Strangle's Pottery

## Steal From Third Beats Phillies And Reds Move Into Second Place In NL

By MIKE RATHET  
Associated Press Sports Writer

It's taken 150 games but the National League-leading Philadelphia Phillies finally have revealed a weakness.

All the opposition has to do is get a man to third base. Then it's all downhill.

Cincinnati's Chico Ruiz reached third in the sixth inning Monday night and promptly became the second player in three games to beat the Phillies by stealing home.

Ruiz' theft and John Tsitouris' six-hit pitching gave the Reds a 1-0 victory and pulled second-place Cincinnati to within 5½ games of the Phillies, who were beaten by the Los Angeles Dodgers 4-3 Saturday night when Willie Davis stole home in the 16th inning.

In the only other game scheduled Monday, Rusty Staub drove in two runs and Ken Johnson pitched a four-hitter as the Houston Colts defeated San Francisco 3-1 for their fifth under new Manager Luman Harris.

The loss left the fourth-place Giants seven games back of the games remaining. The Phillies tangle with the Reds again tonight, seeking to move closer to their first pennant since 1950 sending Chris Short, 17-7 against Jim O'Toole, 15-7.

**BIRDS AT DETROIT**  
The American League pennant race resumes this afternoon when second-place Baltimore meets Detroit. The Orioles, one game behind the front-running New York Yankees, will start Milt Pappas, 15-5, against the Tigers' Hank Aguirre, 5-10.

The Yankees are scheduled for a twilighter at Cleveland while third-place Chicago, trailing by two games, is at Los Angeles for a night game.

Tsitouris, who brought his record to 8-11 with his first shutout of the season, was locked in a scoreless duel with Art Mahaffey, 12-9, until Ruiz darted home.

**PITCH WAS WIDE**  
Chico led off the sixth with a single, moved to third on a single by Vada Pinson and, with Mahaffey pitching to Frank Robinson, suddenly broke for the plate. Mahaffey's throw was wide of the plate and skipped by catcher Clay Dalrymple.

Ruiz, however, was officially credited with his seventh steal of the season on a play that admittedly surprised everyone involved.

**HOMER FOR HART**  
Johnson, now 11-15, was tagged for a homer by rookie Jim Hart in the fourth inning, then shacked the Giants on one hit the rest of the way.

Staub tied the score in the Colts' half of the fourth when he homered off Bob Bolin. Houston scored the tie-breaking run in the fifth on a single by Jim Wynn, a sacrifice and John Bateman's double.

The final Colt run scored in the eighth on a walk, Joe Morgan's single and a sacrifice fly by Staub.

The first known manual on the care of horses was written in Sumerian some 3,400 years ago.

**PSU Tackle Is Out On Injuries**

UNIVERSITY PARK, Pa. (AP) — Tackle John Diebert, who played on Penn State's first string defensive unit in the Lions' 21-8 loss to Navy Saturday, may be unable to make the trip to the West Coast this week to play against UCLA.

Penn State coach Rip Engle said Monday that Diebert injured his knee in the opening game here and listed him as a doubtful participant in the UCLA encounter.

Two other first string defensive players, tackle Sandy Buchanan and end Gerry Sandusky, injured in the Navy game, but Engle expressed confidence that both would play this Saturday.

## Favor Griffith In London Fight

LONDON (AP) — Thousands of Welsh boxing fans arrived in London to root for Brian Curvis, their national idol, in his bid for Emile Griffith's world welterweight title tonight.

Griffith, the hard-hitting, 26-year-old New Yorker, is a 2-1 favorite to win the 15-round bout before a sellout crowd of 10,300 in Wembley's indoor stadium. The fight is scheduled to start about 3 p.m., EST.

The 27-year-old Welshman holds the British and Empire titles.

## 3 AMERICANS IN 2ND ROUND BRITISH OPEN

By THOMAS A. REEDY  
SANDWICH, England (AP) — Three American Curtis Cup stars swept into the second round of the British Women's Amateur Golf Championship with easy triumphs on the windswept 6,017-yard, par 73 Prince's Course today.

The Americans led the charge of 90 top women players from 11 countries competing for the title, held by Brigitte Varangot of France.

Barbara Fay White of Shreveport, La., polished off England's Elizabeth Collis 7 and 6. Carol Sorenson of Janesville, Wis., had an equally easy time, defeating Maria Luis Martinez of Mexico City 7 and 5.

**BABY STAR**  
Seventeen-year-old Peggy Conley, of Spokane, Wash., the baby star of the American cup victory over Britain, turned in a tidy 4 and 3 win over Mrs. R. Denison Pender of England.

Three other American Curtis Cuppers—Barbara McIntire of Colorado Springs, Colo., Phyllis Ann Preuss of Pompano Beach, Fla., and Navy Roth of Hollywood, Fla.—went into the second round with byes.

The first- and second-round matches today reduced the field of 32. Sixteen 18-hole matches are scheduled for Wednesday. The only 36-hole match will be the final, to be played Friday, and that could easily be an all-American affair.

## Aged Actor Is Hurt When Hit By Auto

HOLLYWOOD (AP) — Actor Percy Kilbride, known to millions for his film role as Pa Kettle in "The Egg and I," was recovering today from serious injuries suffered when he was struck by a car.

Kilbride, 76, was walking with retired actor Ralf Belmont, 72, who was killed in the accident Monday night.

Officers said Kilbride suffered head injuries and abrasions. The driver of the car, Gerald Beckhahn, was held on suspicion of manslaughter.

## BIGLER SCRUBS TAKE OPENING CONTEST 20-0

The Biglerville High School junior varsity opened its season impressively Monday afternoon by whipping St. Francis Prep 20-0 at Spring Grove.

Bill Williams' Cannons scored in each of the first two periods. The initial touchdown came on a drive of 75 yards which was climaxed by a 35-yard TD pass from Larry Dennis to Barry Jacoby. Bob Cline plunged for the point. A steady ground attack led by Jacoby, Cline, Frank Bodenber and Phil Carey had previously accounted for 40 yards in the drive.

Biglerville moved 65 yards for a score in the second quarter and on a fourth down, six to go situation, Carey passed 10 yards to Dennis for the score. The try for the point failed.

There was no score in the third period but the Cannons were stopped on the Hilltoppers' 20 via a fumble. St. Francis punted out and Jacoby raced back 35 to the Preppers' 25 late in the quarter.

Biglerville was held on downs to start the final period and then tossed St. Francis for two long losses to the five. On the next play St. Francis fumbled and Biglerville recovered on the two-yard stripe with two minutes of play remaining. Cline hit the line for a yard and Bodenber cracked over from there. Jacoby added the point on a plunge.

Next Monday afternoon Delone will meet the Cannons at Biglerville.

## Pro Grid Briefs

NEW YORK (AP) — Hanging out the pro football wash—and didn't the Pittsburgh Steelers put Y. A. Tittle through the wringer.

John Baker, a 270-pounder, put Tittle in a daze and the New York Giants in a tizzy with a bone jarring tackle that knocked the veteran quarterback out of Sunday's game.

The injury, diagnosed as severely bruised cartilages around three ribs, left Tittle as doubtful at best for Friday night's game with the Washington Redskins. If Y.A. can't go, Gary Wood, a rookie, will handle the signal calling.

It would be a tough spot for a 21-year-old from Cornell with the Giants 0-2 and desperately needing a win to stay alive in the National League's Eastern Division race.

If that fellow who kept scoring touchdowns for San Francisco in its upset victory over Philadelphia looked familiar to Eagle Coach Joe Kuharich, there was a good reason.

Mike Lind played for Kuharich for three years at Notre Dame. At least he was on the Irish roster. Injuries limited him to five games in the three seasons, so that Kuharich never did see much of him.

Lind made up for it Sunday, scoring three times, and Kuharich would just as soon not see any more of him.

One man's meat and potatoes is leftover hash for another. After the Los Angeles Rams had blown a fourth-quarter lead and had to settle for a tie with the Detroit Lions, Ram Coach Harland Svare was philosophical.

"A tie in this league is like a win," said Svare. Not so for Lion Coach George Wilson. "We lost because we didn't block and tackle," the disappointed Wilson said.

Boston Patriot Coach Mike Holovak was talking to reporters after his club lost the American League title to San Diego by 51-10 last January.

"For the life of me," Holovak said, "I can't believe that's the difference between the two teams."

Pat Pats proved he was right coming back to knock off the Chargers 33-28 Sunday.

## Phils Bring Up 3 From Little Rock

PHILADELPHIA (AP) — The Philadelphia Phillies have recalled three players from their Pacific Coast League farm club at Little Rock, Ark., the club announced Monday night.

Scheduled to rejoin the National League leaders in time for tonight's game against the Cincinnati Reds are pitcher Dallas Green, catcher Pat Corrales and first baseman Costen Shockley.

## BIG SURPRISE STEAL GIVES WIN TO REDS

PHILADELPHIA (AP) — With two out in the sixth inning of a scoreless tie, a man on third and slugger Frank Robinson up at the plate, the last thing on the minds of 20,067 fans—and players and coaches on the field—was a steal of home.

It was the last thing on the collective minds of everyone—everyone but the man on third, Cincinnati rookie Chico Ruiz.

"It just came to my mind," Ruiz said. "In this game, you either do or you don't."

**MARGIN OF VICTORY**  
He did. That lone run was enough to give the Reds the victory over the league-leading Philadelphia Phillies and cut their margin to 5½ games.

"He surprised everyone in the ballpark, including me," said Reds' Manager Dick Sisler. "I saw him and said, 'Holy smokes! What's he doing?'"

"I couldn't call for it (the steal) with the big man up there," Sisler said. "But it worked. We got by with it. If the pitch is over, thought—even at the batter—he's out. He goes crazy on the bases sometimes."

**BROUGHT WILD PITCH**

Ruiz surprised Phillies' pitcher Art Mahaffey, too. Mahaffey heaved the ball past catcher Clay Dalrymple to the backstop. There was no play on Ruiz.

Robinson recalled, "The ball went by me before he reached the plate. I think he would have been out on a good pitch."

Ruiz had no comment on the possibility of being thrown out on a good toss from Mahaffey. To him, it was more a question of do or die.

**SHORT GOES TONIGHT**  
"With a hitter like him (Robinson) at the plate, you better make sure you make it or you get hell," Ruiz said.

He said he got the idea when he saw Mahaffey take a long windup on the first delivery to Robinson (a strike). On the second pitch he was gone.

So was the throw and so was Mahaffey's attempt for win No. 13. Cincinnati hurler John Tsitouris threw a six-hitter to record his eighth win of the season against 11 defeats. It was his first shutout.

The two teams go at it again tonight, with the Phillies sending Christ Short (17-7) to the mound against the Reds' Jim O'Toole (15-7).

## COUNCIL VOTES FOR REIGN BY POPE, BISHOPS

By BENNET M. BOLTON  
VATICAN CITY (AP) — The Vatican Ecumenical Council voted overwhelmingly approval today of the idea that the Pope and all Roman Catholic bishops form a single body—a major step toward shared papal-episcopal authority.

The approval came in a series of eight votes on aspects of the crucial concept of collegiality, the sharing of the Pope and bishops in the governing of the Church.

With this action the council fathers in St. Peter's Basilica have cleared the first 12 of 40 sections of a schema chapter establishing the collegiality principle. Four sections were approved Monday.

Once the detailed voting is finished, the chapter must be accepted or rejected as a whole.

**"ONE BODY"**

One provision says: "Just as by the disposition of the Lord, Peter and the apostles formed one apostolic body, so also are the Pope and the bishops mutually united."

The council fathers approved this by a vote of 1,981 to 322. They also voted approval of a passage that the college or body of bishops has no authority except with the Pope. That vote was 2,114 to 90.

Pope Paul VI himself has said that collegiality would not mean any lessening of papal primacy. A number of conservative bishops regard the entire idea of collegiality as invalid and a danger to papal power.

This sharing of power, which may result in some kind of Vatican council to advise the Pope, has major significance for the Christian unity movement.

## STIFF DRILLS SCHEDULED FOR HS GRIDDERS

A lot of serious, hard work is ahead of county scholastic football squads as they buckle down for their third round of games this weekend.

Last weekend Biglerville and Gettysburg were involved in two of the biggest surprises of the young season, the Cannons on the pleasant side and the Warriors vice versa.

Biglerville's hustle paid big dividends as it jolted Big Spring, 13-7, Friday night and conversely, Gettysburg was out-hustled in losing at Boiling Springs 7-0. Both were Blue Mountain League games and both losers were previously picked as top contenders for the 1964 title.

**GREYHOUNDS HERE**

Gettysburg meets Shippensburg here Friday evening at 8 o'clock while Biglerville plays at Camp Hill Saturday afternoon at 2 in league games.

Littlestown, loser of its two games by identical 14-6 scores, will try to get untracked against Hanover, 2-0, at Littlestown Friday evening at 8.

Delone Catholic, 1-1, goes after its second straight victory at Waynesboro Saturday afternoon. Bermudian Springs, 0-2, will host James Buchanan of Mercersburg at York Springs Saturday afternoon. Buchanan has also lost its two previous games.

## DELONE DOWNS CHAMBERSBURG JAYVEES 21-6

Delone's unbeaten junior varsity football team spotted Chambersburg a touchdown in the second quarter and then came from behind in the second half to take a 21-6 decision Monday evening at McSherrystown. It was the second straight win for the Squires.

Greg Christman ran 15 yards on an off-tackle play to give the Trojans their lone score.

Mike Sneeringer connected with Jim Staub on a 20-yard TD pass play for Delone in the third quarter and Sneeringer put his team ahead when he ran for the extra point.

The Squires added a pair of scores in the final quarter. Sneeringer went over from the four-yard line and Tom Lynch ran for the point. Lynch accounted for the final TD on a 5-yard sprint with Sneeringer running for the point.

Next Monday afternoon Delone travels to Biglerville to meet the Cannons.

## MANY NEW TV SHOWS PUT ON WEEKEND AIR

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP) — The American Broadcasting Co. wound up the launching ceremonies of its fall schedule with five new shows and the National Broadcasting Co. put three into the channels over a busy television weekend.

The score for happy debuts was pretty high. Six new shows looked good and only two were really disappointing.

Taking the premieres chronologically, the weekend produced the following:

### ONE FOR KIDS

"Jonny Quest" on ABC Friday night, was an adventure series that looked like a realistically drawn animated cartoon strip. It is designed to identify with young viewers.

The hero is a young boy with a scientist father, a fulltime bodyguard and a bulldog named Bandit. The opening adventure had Jonny, his dog and his bodyguard having a horrendous time with evil lizard-men who inhabit the Sargasso Sea and get mixed up with deadly laser beams and ride in super speed-boats. The kids will adore it.

This was followed by "The Addams Family," from the amusing magazine cartoons by Charles Addams about a macabre family — mother raises poison plants and daddy's hobby is arranging toy train wrecks. Despite the faithful physical translation of the characters, the script was too broad and self-conscious. Where Addams merely suggested ghoulish mischief, the television series lays it on with a trowel.

### UNHAPPY MENU

"Valentine's Day," the next offering, tried to mix dry martini wit with custard pie slapstick and it made an unhappy

menu. It is another of those series about an irresistible playboy and, alas, no better than its predecessors.

Tony Franciosa valiantly waded into familiar plot about the bachelor trying to prove something by taking over a housewife's chores for a weekend. It didn't prove much about a homemaker's lot but it did demonstrate that this story has been wrung pretty dry now.

### TAUT, NEW SHOW

"12 o'clock High," the last of ABC's Friday night quartet of new programs, is a slick, exciting and well-produced series about an England-based bomber group during World War II — and it wasn't a funny war.

There were some fine air shots and a sensible plot involving a conflict of personalities. Robert Lansing plays effectively a tense, tough Air Force general. Paul Burke, guest star of the opening show, was equally taut. One waited from the outset for the anticipated explosion.

### NEW ON NBC

NBC launched three half-hour shows in a row Saturday night, and every one looks like a winner.

"Flipper," with a delightful dolphin for its star, has the same sea-going appeal of "Sea Hunt," plus the warmth and charm of the relationship between a young boy and his unusual pet. This one will attract the whole family.

"The Famous Adventures of Mr. Magoo" started off with the little cartoon character playing William Tell. In coming months Mr. Magoo ought to do a lot to stimulate children's interest in the classics playing everything from Cyrano to Long John Silver.

Then there was "Kentucky Jones," with Dennis Weaver — without his famous "Chester" limp but with, of all things, a hangover — grieving over the loss of his wife and resisting being adopted by a Chinese waif.

Rickey Dar, playing an appealing little Oriental, is a cinch to steal the show. It is a comedy in a contemporary scene and

the kind that tries for — and gets — an occasional tear. Saturday night, too, there was ABC's "Broadside," the new sister of "McHale's Navy" and showing a strong family resemblance. There is even a cholerick commanding officer to foil each week. This new show imagines some adventures for a group of pretty Waves assigned to a wartime Pacific base. This is the funny war. Those who enjoy the robust, obvious humor of big brother will like this one too.

## The POWER of FAITH By WOODI ISHMAEL

Dr. Frank Buchman's faith was of such force that it was felt by nations all over the world. His early training in a devout Christian home and seminary, his work with the students all went to enforce the principals on which his life was based. These principals were four absolutes: honesty, purity, unselfishness and love. The basis of his attraction lay in what he called the "quiet time" when he dismissed all that was temperal and with his soul listened to the voice of God.

In 1921, when he attended a disarmament conference, and until his death, Dr. Buchman worked for understanding among nations through a change in the hearts of men. He often said, "You can build a new world on paper, but you must build it out of people." In 1938 Dr. Buchman conceived the idea of the Moral Re-Armament program for peace, goodwill and the spiritual happiness of mankind. His final challenge given shortly before his death in 1961 embodies the hopes of his program. He said, "I want the world to be governed by men governed by God. Why not let God run the whole world?"

### Three Children Are Found Slain

HAGERSTOWN, Md. (AP)—State and Washington County officials investigated Monday a shooting outbreak which took the lives of three children and left their mother seriously wounded. The mother, Mrs. Eva Mae Grey, 22, was reported in fair condition at Washington County hospital after being found unconscious in her home at Rohrerstown, Md., 18 miles south of Hagerstown.

State police said her husband, Buddy Roosevelt Grey, 29, told them he found her and the bodies of their children in the children's bedroom when he returned home Sunday night.

## CAMBRIDGE IS IN HANDS OF NEGRO CAPTAIN

By GORDON BEARD  
CAMBRIDGE, Md. (AP) — Friendly persuasion has replaced bayonets and tear gas on the streets of Cambridge, where racial turbulence kept National Guard troops on duty for more than a year.

The Guard still is represented, but it's a detachment composed solely of Capt. William A. Harris.

The work of the 44-year-old Negro has been so impressive his tour of duty has been extended twice, and Harris now is to remain until after the November elections.

### SPECIAL ASSIGNMENT

Gov. J. Millard Tawes agreed to the latest extension, requested by Dorchester County State's Attorney Awdry C. Thompson and by Clarence Miles, who heads a special commission named by Tawes to promote interracial harmony in the community of 12,200.

Harris was relieved as deputy U.S. marshal at the request of Maryland Atty. Gen. Thomas B. Finan and sent to Cambridge May 19 as a member of Gen. George Gelston's staff. His assignment: Work with the Negro community to find out their chief desires and needs.

When the last troops were removed July 11, one week after the federal civil rights law was enacted, Miles asked the governor to keep Harris in Cambridge as a liaison man between the white and Negro communities.

### LIKE A CATALYST

"Capt. Harris is like a chemical catalyst," says Maurice Rimpo, editor of the Cambridge Banner.

"If someone like him had been here two years ago to keep open the lines of communication, we may never had had serious racial trouble in Cambridge. He speaks the language of both sides."

During the day, Harris literally lives in the streets, where he can reach more people. He has a nodding acquaintance with many residents. Some call him by name; others wave as he

### CONSUL TO STUDY

PHILADELPHIA (AP)—Giovanni Carlucci, who Monday became the new regional consul general of Panama, with headquarters here, plans to continue his education at the University of Pennsylvania.

The 26-year-old Carlucci, a former Panama newspaper editor, said he intends to do graduate work in economics. He is a graduate of the National Institute of Panama, with a bachelor of arts degree.

### FEWER FATALITIES

HARRISBURG (AP) — Traffic fatalities for the first eight months of this year totaled 1,076 compared to 1,141 for the same period of 1963, according to figures released by the Traffic Safety Bureau. In its monthly report issued Monday, the bureau said 144 persons died in traffic accidents during August —59 less than were killed in August, 1963.

### FACE TAX LIENS

PITTSBURGH (AP)—The federal government asserts that a Western Pennsylvanian and two other men owe \$4,727.93 in taxes on wages accepted from Oct. 18, 1956, to April 30, 1958. The Internal Revenue Service filed a lien for that amount Monday against Meyer Schwartz, 55, of Pittsburgh and Nelson Blume and Julius Silverman, both of Washington.

passes.

### MEETS ALL AGES

Harris organized Boy Scout troops and recreational activities this summer to keep Negro youths off the streets. They were active in demonstrations last year.

But his work hasn't been confined to the youngsters. Harris took a group of Negro senior citizens to Baltimore, where they visited a public housing project to see how activities for older people could be organized.

"I'm interested in cultural contacts," Harris said. "Some of the older people had not been out of Cambridge for 20 years. They must be exposed to the outside, to get a different insight on life."

## GOV. SCRANTON GIVES VIEWS ON POVERTY

HARRISBURG (AP) — Gov. Scranton says if the federal "war on poverty" is to succeed, the root causes—"not merely the symptoms"—of social disintegration must be attacked.

The governor said that private and local and state government proposals within the scope of the program must in addition:

"Offer promises not merely of short-range and temporary palliatives but long-range solutions to poverty.

"Foreseeably produce improvement of many persons and not merely benefit narrow or special interest groups.

"Make clear the willingness and ability of the communities to support the proposal financially both at present and throughout the life of the proposal."

Scranton made the admonitions in a memorandum Monday to mayors of all Pennsylvania cities, county commissioners, the president of the League of Cities, borough associations, township supervisors, the Association of County Commissioners of Pennsylvania and the chairman of the Pennsylvania Citizens Council.

of games to be held Monday, September 28, at 8 p.m. in St. Euphemia's Hall. Committees were formed as follows: Cochairmen, Mrs. Raymond Lingg and Mrs. Francis Adelsberger; prizes, Mrs. William Ryder and Mrs. Gilbert Oddo; raffle books, Mrs. John Walters; Mrs. James Sanders and Mrs. Robert Seidel; refreshments, Mrs. John Hollinger and Mrs. Francis Adelsberger; publicity, Mrs. Charles B. Shorb. Each mother is responsible for six prizes and will assist with the program.

## Biggest Bomber Runs Into Trouble On Maiden Flight

By CHARLES MAHER  
EDWARDS AIR FORCE BASE, Calif. (AP) — The nation's biggest bomber ran into trouble its first time up, but trouble is nothing new to the XB70, a breed of plane regarded by some as an absolute must and by others as an obsolete bust.

Off the drawing boards the better part of a decade, the 185-foot-long monster finally got off the ground Monday, and:

—First off, developed either instrument or mechanical trouble and went through most of its 65-minute maiden flight with one of its six engines dead.

—Developed landing gear trouble, and, as a precaution, kept its wheels and its speed down the rest of the flight.

—Landed with a fiery splash, burning two tires that apparently were held rigid by a locked brake.

### NOT CONCERNED

The Air Force brushed aside these annoyances, expressed satisfaction with the flight, and said it expects the triangular-winged craft to carry on as a research vehicle — a role somewhat less dramatic than the one in which the XB70 was originally cast.

The XB70, which has a slender fuselage and looks like a flying serpent, was designed to go as fast as 2,000 m.p.h. and as high as 80,000 feet.

Monday it was expected to reach 700 or 800 m.p.h. and

about 35,000 feet, but the malfunctions held the speed to about 375 m.p.h. and the altitude to 16,000 feet.

About \$1.2 billion has already been sunk into the XB70 program. Before the testing is over the investment may be \$1.5 billion.

The Air Force issued a requirement for such a plane in October 1954. North American won a design competition the next year.

The first flight was to have been in December 1962, but there were technical delays.

George Strickland, acting manager of the Cleveland Indians during Birdie Tebbetts' recuperation from a heart attack, started with the New Orleans Pelicans of the Southern Association in 1943.

## Healing Soap for Upset Skin

If your complexion is marred by roughness or coarseness—especially if broken out in blotches or pimples—give it the healing care of Eucerin Soap. Eucerin Soap cleanses the skin—as a soap is supposed to do! And "doctors" it at the same time. Modern purifying medications and germ-killers make Eucerin Soap the last word in healing, cleansing care for damaged complexions. This is a new soap formula which not only has healing properties but also actively combats drying—leaves skin wonderfully soft. Formulated by the makers of famous Eucerin Cream—a 60-year-old trustworthy laboratory. At leading drug and toiletry counters, \$1.

# 36 Persons Escape Death As Cable Car Loses Grip, Careens Backward On Hill

SAN FRANCISCO (AP) — The cable car stopped suddenly and began a wild, fast backward roll down Russian Hill. Passengers screamed and shouted. Some jumped off and fell in a tangle of arms and legs.

"All I saw was the hill going fast, and I said 'This is it,'" Susie Baer recalled later. For Mrs. Baer, a 52-year-old widow, and 35 others it was a frightening experience Sunday when the car lost its grip on the cable and began rolling free down a steep block of Hyde Street between Chestnut and Lombard.

**USE EMERGENCY BRAKE**  
After more than half a block the operator halted the car with a rarely used last-resort emergency brake — a metal bar that drops from the car into the cable slot. It jammed so tightly it had to be cut out with a welder's torch.

"Someone said 'Jump,'" Mrs. Baer recalled, and some people jumped off the front. They fell like cats. Some of them were bleeding.

"I looked and saw the bodies falling out, and that beautiful view that I always loved."

"Then the car stopped and I fell from one end to the other. I must have passed out because the next thing I knew my lady friend was over me asking how I was."

Mrs. Baer and her friend,

Sophie Miller, 57, also a widow, were among the 20 passengers who refused or were unable to leap from the runaway car.

The two women and seven others were treated for injuries at Harbor Emergency Hospital. Mrs. Miller suffered a broken shoulder.

Sixteen persons, most of them children, vaulted from the front and rear open platforms to the pavement. They tumbled into heaps in the street.

The car had climbed about three-quarters of the way up Russian Hill from Fisherman's Wharf, overlooking Alcatraz, when the grip on the cable failed.

"We could feel it starting to slip, then moved faster and faster backwards," said Joseph Ruiz, 41, of Montebello, Calif.

"Someone shouted 'Jump' and some children near me jumped. I waited too long and when I hit the street I fell and skidded along on my abdomen and arms."

## SIAMESE TWIN BOYS ARE BORN

CHICAGO (AP) — Siamese twin boys born Saturday were reported "resting comfortably" today following a successful separation operation.

Four surgeons worked 3½ hours Sunday to separate the infants, who were joined at the lower abdomen.

After the operation, one twin was left with a large and small intestine and the other only the small intestine.

A spokesman for Children's Memorial Hospital said the twin with both intestines "should get along very well" and the other one "might get along very well."

The twins, born Saturday night to 21-year-old Carol Jaquet in Evanston Hospital, weighed 8 pounds, 3 ounces at birth.

## Runaway Horse Disrupts Freeway

NEW YORK (AP) — A runaway horse on Brooklyn's busy Belt Parkway caused two five-car pileups and led police a 5½-mile chase before being corralled.

No one was hurt in the accidents caused by the sudden appearance of Rainbow, a red roan 15 hands high, who bolted from a riding academy.

It took three policemen 90 minutes to latch onto Rainbow Sunday.

# SEES RUSSIA AND RED CHINA NEARER SPLIT

**By JOHN M. HIGHTOWER**  
WASHINGTON (AP) — While the private thoughts of the Kremlin bosses are hard to come by, it is commonly accepted as a fact in official Washington that Nikita Khrushchev is completely fed up personally and politically with the Chinese Communists.

This insight into the mind of the decision-maker on the Soviet side re-enforces the growing belief that the Soviet Union and Red China are now headed toward a final split in the fairly near future — probably mid-1965 at the latest.

Khrushchev took a personal snub from 29 Chinese Communist delegates at a World Youth Forum meeting in Moscow as recently as last Wednesday. It was not his first experience. Back in 1959, he suffered the cold shoulder treatment from the whole ruling group around Mao Tse-tung when the Soviet leader visited Peking after his meeting with President Dwight D. Eisenhower and his tour of the United States.

## DRAMATIZE STRUGGLE

Such personal rebuffs, however much they may irritate Khrushchev, serve mainly to dramatize the kind of struggle which has developed between the two Communist giants over the last five years. For what has happened to Khrushchev personally in a few instances in recent years to Soviet representatives at international meetings also attended by the Chinese Communists — meetings of women, students, doctors, African experts. The nature of the session seems almost irrelevant.

Behind the contempt deliberately shown for Kremlin leadership of the world Communist movement is Red China's ambition to seize control from Moscow. Khrushchev decided sometime ago, according to diplomatic information here, that he could deal with Red Chinese rivalry more effectively if the Peking regime were outside the camp.

The conflict began to come into the open in 1959 which was a critical year in Communist development. It was not only the year Khrushchev visited Eisenhower but also the year the Chinese began to make clear their resistance to Khrushchev and his policy of peaceful coexistence by espousing a militant anti-American doctrine.

## RIVALRY ENTRENCHED

# NATO WARSHIPS HIDE FROM REDS

LONDON (AP) — More than 100 warships from the navies of seven North Atlantic Treaty Organization nations Monday started ocean exercises which they hope will be out of Russian spying range.

Soviet trawlers have been sighted in the operating areas to observe ships and planes taking part in NATO exercises. This time the regions of the North and Central Atlantic to be used were kept secret until the last moment.

Naval sources said the aim was to prevent the pre-positioning of Russian observer ships. The exercises were not even announced until a number of ships taking part had sailed from their home ports.

## 15 ARE MISSING

SEOUL, Korea (AP)—Fifteen South Korean fishermen were reported missing after their boat sank Sunday night off Kuryongpo, 160 miles southeast of Seoul.

The boat's air pump exploded, the only survivor reported.

later Chinese claims, Khrushchev refused to assist China to become a nuclear power.

The differences have now become so great and the rivalry so entrenched that several developments seem reasonably speculative.

A meeting of Communist party representatives from about a score of countries is to be held in Moscow in December to prepare for a Communist world congress in 1965. The Russians invited 25 other parties to the December conference but the Red Chinese and several others events suggest the possibility of a full break between the Soviet and Chinese Communist parties anytime from the start of the December meeting till the end of the projected 1965 conference.

## BREAK SEEMS CERTAIN

A break on the ideological front, designed by Khrushchev to excommunicate the Chinese Reds as heretics, seems certain to raise tensions between the Russian and Chinese nations closer to the flash point. Border incidents along their long Asian Frontier and around pro-Soviet Outer Mongolia may increase.

As troubles with China grow it seems a safe bet that Khrushchev will try to improve relations with the West in order to secure his Western front while he is menaced from the East.

It is conceivable that China may also try to improve relations with the outside world and this in turn could have a profound bearing on such direct U.S. issues as the anti-Communist struggle in Southeast Asia.

# Rome Council Wants Bishops To Share Power

**By BENNET M. BOLTON**  
VATICAN CITY (AP) — The Vatican Ecumenical Council voted sweeping approval Monday of its first measures defining a concept that bishops share power with the Pope over the entire Church.

Th prelates in St. Peter's Basilica cast the first 4 of 40 ballots on a document defining concept of shared papal-episcopal authority — known as collegiality. It is contained in a chapter of the schema known as "De Ecclesia," on the nature of the Church.

By a vote of 2,012 to 191, with two votes null, the council agreed that bishops make up a kind of college or body with the Pope.

They also agreed — by 2,166 to 10 with one null vote — that the bishops are the successors of the apostles and the Pope is the successor of St. Peter.

Details and voting results on the other two measures are to be announced today, after tabulation is complete.

The first two measures approved Monday are the foundation on which the collegiality idea is based. It was emphasized to the bishops before the voting that the concept does not mean any lessening of papal supremacy.

Pope Paul VI himself stressed this when he opened the current third council session a week ago Monday. He gave the bishops a mandate to define how they participate with him in governing the Roman Catholic Church.

The council is debating another measure — on pastoral duties of bishops — which is written on the assumption that collegiality has been put into application.

The votes on collegiality were necessary because "De Ecclesia" was partly debated at the second council session in 1963. Bishops then made many suggestions for changes in wording and emphasis. The changes were worked into the text during the recess and must now be approved or rejected. Two-thirds majority is needed for approval.

LONDON (AP)—A welcome-home for the Beatles started building up at London Airport Monday hours before they were due from a North American tour.

The first fans hitchhiked to the airport from all over England Sunday morning. They settled down to wait on the roof of the terminal building. The Beatles were due at 9:35 p.m.—3:35 p.m. (EST).

# Find Woman's Body In Wooded Section

PHOENIXVILLE, Pa. (AP)—State police report that a body of a mature woman was found Sunday in a wooded area about three miles south of Phoenixville.

Deputy Chester County Coroner James Devlin said the body, dressed in black slacks and black sweater, was covered with small tree branches and a small wooden ladder.

It was discovered by William A. Miller, 39, of Valley Forge, who was hiking with his daughter, police said.

## Taneytown

TANEYTOWN — The Volunteer Fire Company has donated \$100 to the Mrs. Bessie Marshall fund of the Maryland State Ladies' Auxiliary for the benefit of firemen injured in the line of duty and will investigate a complaint about safety conditions at the trailer court east of town. The ambulance committee reported 13 calls during the month of August and the fire chief reported six fire calls during the same period.

A committee was named to obtain bids for two pairs of tires for one of the fire trucks. Bills in the amount of \$2,064.77 were approved for payment. Receipts for the month were \$1,764.50.

Robert Boone, Thomas Smith and Raymond Feeser were named to a committee to work with the Ladies' Auxiliary in the construction of a building at the carnival grounds. The carnival committee for 1965 will include Raymond Feeser, Wilbur F. Miller Jr. and Thurston Putman.

President Jack Smith named Howard Welty, David Smeak and Dean Sholl to the nominating committee. The October meeting will be held at the carnival grounds.

## Charge York Man In Fatal Shooting

YORK, Pa. (AP)—York police charged a city man, Jose Paneto Maisonet, 29, with murder and manslaughter Sunday in the fatal shooting of Wiley Hedgepeth, 49, York, at a downtown street corner. They said the shooting apparently came about after an argument between the two men.

# A Lovelier You

**By MARY SUE MILLER**  
**PLEATS, ANYONE?** In fashion collections there's a plethora of pleats. You see them in suits,

separate skirts, dresses and even coats.

It's all to the good. Pleating adds grace to your figure and wish to your carriage. You must be choosy, though, about the size of pleat that you wear.

Albeit pleats compose a series of vertical lines and verticals are supposed to be slimming, it is not necessarily so. Pleating can form a circle of stepping stones to carry the eye around the fig-

ure on a horizontal plane. And horizontals are famous for increasing girth.

This happens when the size of pleats is extreme, either very wide or narrow. Of course, a bulky or boldly-patterned material only adds to the weighty effect.

When you remember the principles, you can't err in selections. You would not then choose either a wide box pleat or an accordion size for a figure that's in need of trimming. You'd settle for a middle-sized pleat, flowing free from the waist.

Only tall, slim figures can carry off the biggies. Petite pleats look best on petites, although the width is not unflattering to average statures.

A word of caution: Avoid pleats stitched down around the hipline, unless the area is slim. Otherwise you cannot afford to wear the three layers of material and seamed stepping stones around your derriere that the styling entails.

In fashion, nothing makes you lovelier than color. It can enhance your skin, hair, eyes and figure; it can express your individuality and style. Great powers those! To learn how to put them to work for you, read our leaflet, "YOUR MOST FLATTERING COLORS." To obtain a copy, send your request to Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.

## You can do it with GAS and Programmed Cooking

Imagine being able to cook your meat or an entire meal hours ahead of time—with no worry about keeping it fresh and hot until you want to serve. It's easy with a new, automatic gas oven. When the meal is cooked, Keep-Warm controls lower the oven temperature to the exact heat to keep food hot for hours with no overcooking or drying out. It's great for busy families where meals must be served at different times, and a wonderful convenience when guests or family are delayed. This special control is also handy for defrosting foods quickly and safely, and for warming plates and platters.

Only a gas flame has the fine degree of accuracy that produces such a wide range of control. That's why modern gas ranges are first with Programmed Cooking—the automatic oven that almost cooks by itself.

Of course, the oven is only one of the wonderful conveniences you find in cooking with gas. You'll delight in the Burner-with-a-Brain that makes every pot and pan automatic; in smokeless, closed-door broiling; and in flame-kissed rotisserie cooking.

Plan now to see all these exciting features in the new gas ranges at your Gas Appliance Dealer's.

## SAYS BARRY'S COURAGE HAS WON HIM OVER

ROCHESTER, Minn. (AP) — Pennsylvania Gov. William Scranton, once one of Barry Goldwater's sharpest critics, says he now supports the Arizona senator for president because of his "honesty and courage."

Scranton, making his first national campaign for the Republican ticket, also says he believes Goldwater is "more interested in conserving freedom and individual liberty... and in peace with honor" than anyone he knows.

However, Scranton, beaten by Goldwater for the presidential nomination, made a point of saying in three speeches in Iowa Monday that there are still some issues on which he disagrees with Goldwater.

At a press conference in Cedar Rapids, his last Iowa stop, Scranton said those differences are on nuclear warfare and civil rights. He did not elaborate, and never mentioned either issue during his Iowa talks.

While campaigning for the nomination, Scranton was critical of Goldwater's statements on nuclear warfare and his vote against the civil rights bill. But he told Iowans he believes he made his differences with Goldwater clear before the Republican convention and Goldwater now "must carry the heavy mantle of leadership in our party. The time has come for us to help him."

### 40-YEAR LICENSE

WASHINGTON (AP) — The Philadelphia Electric Co. has been issued a 40-year license for its proposed Muddy Run pumped-storage hydroelectric project on the Susquehanna River.

The Power Commission issued the license Monday for the proposed \$79 million project. It will have a capacity of 800,000 kilowatts and would be built in Lancaster and York counties, Pa., near the Conowingo Reservoir.

### PARKING NEEDED

PITTSBURGH (AP) — Good government leaders must have backing and recognition or they become frustrated in their attempts to provide good service, says Philip Broadhead, Pennsylvania District governor of Kiwanis International. Broadhead told delegates Monday at the opening of the Pennsylvania District convention, "If we want good leaders, we've got to back them."

Maine has 2,500 miles of seacoast.

## Engineer Killed Testing His Plane

MIDDLETOWN, Del. (AP) — A 32-year-old flight engineer testing his rebuilt, single engine plane, was killed Monday night when the plane crashed on a farm near his Middletown home.

Police said C. Donald Kenny, employed by Capitol Airways, came down on a field not far from his home.

His wife, Marjorie, and son, Steven, 6, saw the craft plunge to the ground.

## WHEN YOU NEED MONEY TO PAY YOUR BILLS Remember...

## With THRIFT in Town You Have a Friend Around

One of the biggest problems in the family budget is all the bills that have piled up. And they all seem to fall due at the same time. The easiest way to pay them is with a bill consolidation loan from your nearby Thrift office. Borrow what you need and pay it back in monthly payments "tailored" to your budget.

At Thrift, a bill consolidation loan or any loan is a private matter. Our interest rates comply with the State of Pennsylvania's Small Loan Act (loans up to \$600), and the Pennsylvania Consumer Discount Company Act (loans of \$601 to \$3500).

## 3 Corporation Executives, Psychiatrist, Teacher Are Arrested On Liquor Counts

DARIEN, Conn. (AP)—Three corporation executives, a psychiatrist and a teacher are among 12 persons charged with serving liquor to minors at dinner and debaucher parties in two Darien homes.

The arrests Monday drew wide attention throughout Fairfield County, one of New York City's most fashionable suburban areas.

The charge is based on a 1933 Connecticut law that prohibits the serving of liquor to anyone under 21, except by his parents. No one could recall it being invoked before.

The minimum age for buying liquor in Connecticut is 21. In New York state, just a few miles from here, it is 18.

### STIRRED BY DEATH

The statute was invoked by Circuit Court Judge Rodney S. Eielson, presiding at the trial of Michael Smith, 18, who pleaded innocent to charges of reckless driving and negligent homicide in the death of Nancy Hitchings, 17, last June 23.

The two were in a car that crashed shortly after the parties. Smith's trial has been continued until Sept. 30.

One of those arrested was Carlton Josselyn of Westport, a science teacher in Fairfield Public Schools, who was a bartender at one of the parties.

### 4 COPS AT PARTY

His lawyer, Louis Stein, said: "There were four Darien policemen at the party. They saw everything that went on, including the drinking. I have asked that they be arrested as accessories after the fact."

Police often stand by at larger house parties to control traffic on the narrow roads and prevent party crashing.

The parties were held June 22 at the homes of F. E. Dutcher, 54, a vice president of the Johns-Manville Corp., and Dr. George S. Hughes, a psychiatrist.

### ALL ARE BOOKED

Hughes, his wife, Julia Ann, and Dutcher were among the 12 who appeared at the police station.

for booking. Others booked included two couples described as co-hosts at the Hughes party, William F. Otterstrom, 55, and his wife, Lucille, 54, of Darien, and Dudley Felt, 60, and his wife, Marguerite, of Norwalk.

Otterstrom is general auditor of the Olin Mathieson Chemical Corp. Felt is an executive with the New York City advertising firm of Cunningham & Walsh.

The others booked were bartenders and caterers.

## WARN COAST OF HURRICANE

MIAMI (AP)—An unexpected switch in course by hurricane Gladys brought the Atlantic Coast from Cape Hatteras, N.C., to Sandy Hook, N.J., into the danger zone today.

The Weather Bureau put this section of the coast on a "hurricane watch" and warned of tides three to four feet above normal from Cape Hatteras to New York and in lower Chesapeake Bay.

Monday, indications had been that the 100-mile-an-hour storm would pass northward off the coast, a danger only to ships at sea.

At dawn, the hurricane watch was ordered for the coast and gale-warning flags were hoisted from Wilmington, N.C., northward to Provincetown, Mass., and on Chesapeake and Delaware bays.

Rising tides and wind, the Weather Bureau said, will bring flooding of low-lying coastal areas and damaging erosion to the beaches.

Gladys was moving toward the north-northwest at 11 miles an hour, with 100-mile winds lashing out 50 miles to the north of the eye. Her eye was located 230 miles east of Cape Hatteras.

## People In The News

ROME (AP)—James Francis Cardinal McIntyre has been released from Rome's Calvary Hospital, a week after he collapsed at the opening ceremonies for the Vatican Ecumenical Council.

Cardinal McIntyre, Roman Catholic archbishop of Los Angeles, returned to his quarters at the Pontifical North American College Monday.

Doctors said medical tests on the 78-year-old prelate were "all satisfactory." They said he was overcome by exhaustion and the heat when he collapsed in St. Peter's Sept. 14.

NEW YORK (AP)—Comedian Mort Sahl is in New York's Columbia Presbyterian Hospital for treatment of a back injury.

A hospital spokesman said today Sahl's condition was good, but that he would remain in the hospital for several weeks. Sahl was admitted Sunday night after he fainted while riding in a taxicab and injured four vertebrae, the spokesman said. Doctors said the comedian suffered from extreme fatigue.

CANBERRA, Australia (AP)—Capt. Ronald John Robertson, who commanded the Australian aircraft carrier Melbourne when it collided with a destroyer last Feb. 10, has resigned from the navy.

The destroyer, Voyager, sank with the loss of 82 lives. Primary blame for the collision off New South Wales was placed on the destroyer.

Robertson reportedly resigned to protest his transfer to a shore station. Navy Minister Frederick Chaney announced to the House of Representatives today that the resignation had been accepted.

## JOHNSON WALKS WITH TOURISTS

WASHINGTON (AP)—A score or more of surprised tourists walked around the White House driveway with President Johnson Monday after he saw them at the gate and invited them in.

Johnson, his two beagles, the tourists, reporters, photographers and White House aides joined the walk.

The President had gone to the gate to shake hands when he suddenly said: "Would you like to come in and walk around the

grounds with us?"

"Oh, wonderful," one woman said. "How gracious of you."

As Johnson escorted the tourists back home and distributed some LBJ lapel pins, one woman called out: "Take good care of yourself, Mr. President." Johnson and the reporters then walked three more laps before they called it quits.

George Susce, coach with the Washington Senators, caught 17 games as a National League rookie with Philadelphia in 1929. He ended his catching career with Cleveland in 1944.

## Thurmond To Keep Committee Posts

WASHINGTON (AP)—Democrats in the Senate have made it possible for Sen. Strom Thurmond to retain two committee seats despite his decision to switch to the Republican party.

Democratic Leader Mike Mansfield announced Monday that raties were being switched from 12-5 to 11-6 on the Armed Services and Commerce committees.

This will enable the South Carolina senator to remain on these committees — if the Republicans want him to — without his displacing another GOP committee member.

NEWPORT, R.I. (AP)—When Constellation's victorious crew swapped shirts with Sovereign's sailors following its fourth straight America's Cup victory Monday, Buddy Bombard, the agile but diminutive boss of Constellation's foredeck, had a problem.

No one could find a sweater small enough to fit Buddy and he finally had to swap with one of the women in Sovereign's entourage.

Coach Bob Swift of the Detroit Tigers caught 1,001 major league games, most of them with Detroit. He also was with the Philadelphia Athletics and St. Louis Browns, teams that later shifted to Kansas City and Baltimore, respectively.

The scientific name for the little black ant is Monomorium Minimum.

## WILL LAUNCH 5 NEW SATELLITES

WASHINGTON (AP)—The first of five light-reflecting satellites, to be used for more precise mapping of the earth's surface and gravitational field, may be launched in the next week or two from the Pacific Missile Range in California.

Called the Beacon explorer — BE-B — it will be launched into a near-polar orbit 620 miles above the earth, inclined 80 degrees to the equator.

The 120-pound BE-B will use "Doppler" radio signals to measure the effect of irregularities in the earth's gravitational field.

Highly concentrated beams of lights, called lasers, to determine the spacecraft's position in space more accurately than is possible with conventional radio means.

## Water Co. Owner Freed From Jail

HARRISBURG (AP)—Paul Ciaffoni, 70-year-old president of the Avella Water Co., has won 30 days of freedom from Dauphin County Prison.

Commonwealth Court Monday ordered that he return to the small family-owned utility in Washington County and complete certain court-ordered service improvements.

Judge Carl B. Shelley found Ciaffoni guilty of contempt last Friday after being told by the Public Utility Commission that the court's order had not been complied with. The sentence was an indefinite jail term and a \$500 fine.

Judge Shelley said he signed the release "at the suggestion of counsel for Ciaffoni and the Public Utility Commission."

## REPORT ON JFK DEATH READY ON THURSDAY

By STERLING F. GREEN  
WASHINGTON (AP) — The Warren Commission's report on the assassination of President John F. Kennedy will be unfolded to the world next weekend.

The commission headed by Chief Justice Earl Warren, which has been probing the Dallas tragedy of last Nov. 22, will submit its findings to President Johnson on Thursday, the White House announced.

Press secretary George Reedy said the report — a volume of a quarter of a million words, plus 20 or more additional volumes of testimony and evidence — will be made public over the weekend. He did not specify the day or hour.

### PERSONAL VISIT

Reedy said he did not know who would deliver the report, but commission sources said they expect Warren and his six colleagues to visit the White House personally late Thursday morning.

## RAIL STRIKE IS AVERTED

By NEIL GILBRIDE  
WASHINGTON (AP) — The nation's trains chugged past another major strike threat today after a scheduled daybreak walk out was postponed indefinitely.

There appeared little likelihood of a renewal of the strike threat by 150,000 shop workers after negotiators announced a "tentative settlement" of their job security dispute.

The announcement Monday came about 14 hours before the scheduled 6 a.m. strike deadline and ended the second major threat of a virtually nationwide rail tieup since April.

"We have reached an agreement on four of the major issues involved and feel certain we will be able to complete the agreement very soon," said Michael Fox, spokesman for six shop craft unions.

The unions had called the strike against most of the nation's railroads except the Pennsylvania and Long Island railroads, the Southern Railway System and the Florida East Coast.

## Barone Named To \$19,345 P. O. Post

WASHINGTON (AP) — Michael C. Barone, former postmaster at Bryn Mawr, Pa., has been appointed deputy regional director for the post office department at Philadelphia. The post pays \$19,345 a year.

Charles E. Puskar, former postmaster at Imperial, Pa., was named to succeed Barone as the \$14,240-a-year special assistant to the regional director for employee relations at Philadelphia.

Both appointments were announced Monday by Postmaster General John A. Gronouski.

## ICC Delays Move By Reading R.R.

PHILADELPHIA (AP) — An Interstate Commerce Commission investigation ordered Monday will delay cancellation of the Reading Railroad's Philadelphia-New York passenger service, at least through Feb. 2.

The ICC order suspends the Reading application to end service on Oct. 2.

The ICC, which did not set definite hearing dates for the investigation, acted on protests from passengers of the Wall Street and Crusader trains, Sen. Clifford Case (R-N.J.), and the Public Utility Commissions of New Jersey and Pennsylvania.

The Reading says it faces bankruptcy unless there is government aid to eliminate \$3.3 million of annual passenger losses. The alternative to such aid is to end all passenger service, the railroad says.

The unions had called the strike against most of the nation's railroads except the Pennsylvania and Long Island railroads, the Southern Railway System and the Florida East Coast.

## CBS SERIES ON POLITICS LOOKS GOOD

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP) — Appropriately enough in this highly political season, a television series about politics had its CBS network debut Monday night.

Perhaps it is the marked contrast to the endless imitations of the raft of new comedy shows or perhaps it is the welcome change from the sad personal problem series, but "Slattery's People" seems like a most attractive and intelligent addition to the schedule.

The central character, Slattery — no first name — is the minority leader of the lower house of a state legislature.

The first episode had a veteran legislator with a fine record accused of using his position as chairman of an important committee to smother a bill without a vote by his committee.

Before the hour was over, we had some idea of the workings of a state legislature, the pressures on its senators and assemblymen, all in addition to an interesting problem in political morality.

Richard Crenna, who hitherto has been seen almost entirely in rather silly comedy roles, comes on strong as a hard-headed, tough-minded idealist.

It was a well-made, thoughtful program with dramatic values.

Earlier, there was the debut of a CBS comedy, "Many Happy Returns." The series is the brainchild of Parke Levy who once gave us "December Bride." His new effort originally was called "December Groom," which is a clue of sorts.

Also on CBS Monday night, Steve Allen took over Garry Moore's old job on "I've Got a Secret." With a program that practically abandoned the long-playing show's format, this was rather welcome for a change, but the panel of four looked a little put out because it had so little to do.

Lucille Ball started her new CBS comedy season on roller skates and wound up in a fish pond, indicating that there, at least, it will be funny business as usual. Miss Ball is still the funniest female in television.

The excavation of Pompeii is the longest in history. Started about 1748, it is still being continued today.

## Sen. Scott Will Fight For Contracts

FEASTERVILLE, Pa. (AP) — Sen. Hugh Scott, R-Pa., pledged Monday night to "continue the fight" for more federal government contracts for Pennsylvania.

The Philadelphia Republican, campaigning for re-election, told a meeting of the Lower Bucks County Chamber of Commerce he thought Washington tended to send far too many contracts, which Pennsylvania is equipped to handle, "to the South, the West and even overseas."

"It is a constant battle requiring constant attention," Scott said.

"Pennsylvania gets government contracts today only when your legislators keep the pressure on and legislation going in. And that is precisely what I have been doing for years."

The rudder of the Queen Elizabeth weighs 140 tons as much as the total weight of the Mayflower.

## Galen Hall Resort Area Being Sold

READING, Pa. (AP) — Galen Hall, the well-known 900-acre resort area on south Mountain in nearby Wernersville, is being purchased from the long-time owner, the Burock family.

Thomas and Bruce Masano, Reading businessmen, said Monday that final settlement of their purchase is expected to be made early in November.

No purchase price was announced.

The main building, Galen Hall Hotel, was destroyed in a \$2.5 million fire on April 7, 1963, and never rebuilt.

## Stiff Penalties Help Curb Teen-age Drinking In State; Tavern Owners Praise Law

Editor's Note: Has a new state law, passed in 1963, been instrumental in curbing teen-age drinking in Pennsylvania taprooms? Many police officials and tavern owners praise the law as going far in helping to stamp out this type of under-age drinking. This Associated Press State Spotlight reports how police are using this new legal tool in their war on juvenile delinquency.

By ALAN KAPLAN  
Associated Press Writer

PHILADELPHIA (AP) — The war against teen-age drinking is going well in Pennsylvania, thanks to a 1963 law and alert police and tavern operators.

The boy or girl, under 21, may still be able to drink a beer at a party or use false identification to get a highball at a bar, but today—because of the new law—he risks a trip to jail or a stiff fine. Before, the worst punishment could be a lighter penalty for disorderly conduct — and there had to be sufficient proof of that charge.

"I think this law could stamp out our problem with minors in three years," says Bill T. Plastino, Lancaster tavern operator. And his comment is typical of most of those who face young people across a bar and have to decide whether he or she really is of age.

### FINE AND JAIL

The new law stipulates that minors—those under 21 — who "attempt to purchase, consume, possess or transport alcohol, liquor or malt-brewed beverages" are subject to fines between \$25 and \$100 or 30 days in jail or both.

This puts the onus directly on the juvenile. Before the legislature put this law on the statute books the tavern-owners were dealt the worst punishment. And some innocently served under-age patrons who produce fake or forged identification cards.

"We ask for cards," said Kenneth D. Kochel of Lancaster, "sometimes several of them, and we also try to judge the ages. But some of these kids are really tough to judge. Women, particularly, are apt to fool you."

### PRAISES LAW

Kochel was fined \$150 in 1962 for selling beer to a minor. It almost made him quit the taproom business, because of this kind of risk.

Today, he's high in praise of the new law which has "cut down the number of minors coming in here trying to buy alcoholic beverages."

Detective Capt. David M. Rineer of Lancaster said the law has made it easier for officers to deal with under-age drinkers.

"Before this law, there were many times when our detectives and uniformed men came in contact with minors who had been drinking," Rineer said. "If these persons were not creating a disturbance or breaking any other law, sometimes all we could do was tell them to move on or go home."

"The situation," Rineer said, "has definitely changed. The law says minors may not even have alcohol on their breath or may not have it in a car with them."

### FEW ARRESTS

"Many of our men now come across infractions while carrying out routine duties. When this happens, we have the authority to make an arrest with the knowledge that a prosecution is justified."

Williamsport's police chief, Joseph R. Longo, reports only five boys and seven girls arrested on drinking charges since the law was passed. In one case, a young man paid the maximum fine of \$100 and costs and served time in the Lycoming County prison. Others have paid \$50 fines and served five-day prison sentences.

"The law," says Longo, "has done a lot of good in discouraging drinking. And there have been no arrests of second offenders."

### UNVEILS SUPPLIERS

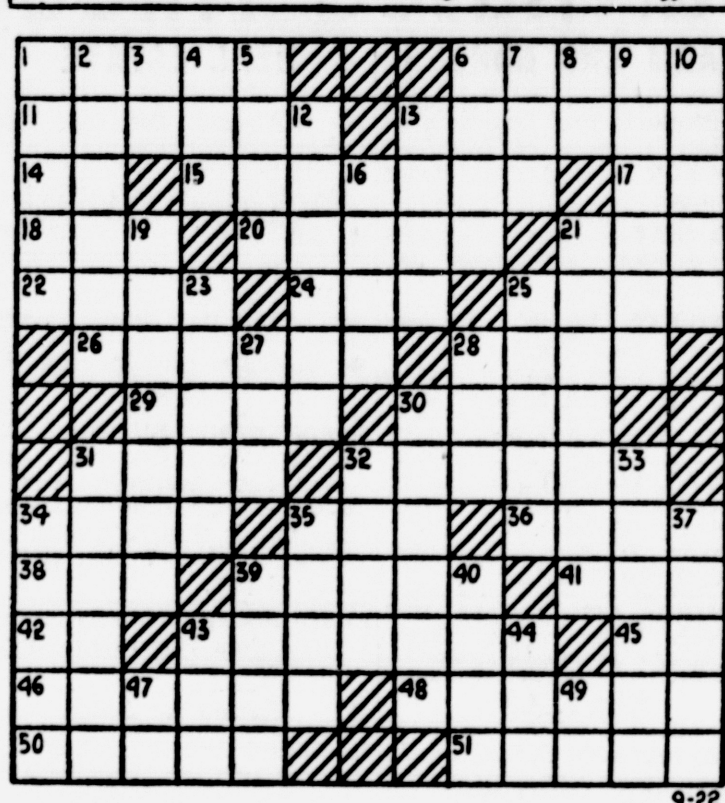

It's "the best law ever passed," says Richard Hagerty, Warren County's deputy sheriff. He asserts the statute not only deters youthful liquor purchasers, but it is equally effective in unveiling their suppliers.

The reason: Minors who are unwilling to disclose information about where they obtained liquor or beer are threatened with stiffer sentences. This generally loosens the tongues, says Hagerty.

In Bellefonte, police make spot checks of automobiles with young drivers on Saturday night.

"If we find a case of beer in the trunk we make an arrest," says police chief Eugene Stine. "There's none of this stuff about one of the parents leaving it

### PROMPT SENTENCE

Stine said offenders between 18 and 21 are taken directly to a local magistrate who can mete

out punishments promptly.

Lancaster alderman William A. Hull Jr., says he judges each case individually with first offenders fined \$25 and the second offenders tabbed with \$50.

"I make it a point to inform each offender that the penalty will probably be greater if he or she is a repeater on the same charge," says Hull.

Statistics compiled by Pennsylvania's Liquor Control Board show that the law has cut in half charges against taprooms for selling to minors.

Between January and September, 1963, 501 taverns were cited,

## Democrats Win Swedish Election

STOCKHOLM, Sweden (AP) — Sweden's Social Democratic party has won another term in office, but the party's percentage of the vote dropped slightly.

Unofficial tabulations Monday indicated Premier Tage Erlander's Social Democrats won 117 of 233 seats in the lower house of Parliament. This was a gain of three and one more than an absolute majority.

The party's percentage of the vote dropped to 47.9 from 48.4 in the 1960 general election. The party has dominated Swedish politics since 1932, and Erlander has been premier since 1946.

The Conservative party lost 11 of its 39 seats and the Communists increased their seats from 5 to 8.

## Seek To Contract Belgian Rebels

NAIROBI, Kenya (AP) — The 10-nation commission seeking to end fighting in the Congo plans to contact rebel leaders who control about a sixth of the former Belgian colony.

Premier Moise Tshombe pledged his co-operation with the commission, formed earlier this month at a meeting of the Organization of African Unity at Addis Ababa, Ethiopia.

## South Koreans Shot In Ambush

SEOUL, South Korea (AP) — Four unidentified men — believed North Korean Communist agents — opened fire and wounded four South Korean soldiers 25 miles north of Seoul, the army said Monday.

The shooting occurred Saturday night south of the demilitarized zone. A search of the area has turned up only expended rounds of Russian ammunition, the army said.

## Archbishop Dies; Was College Rector

VATICAN CITY (AP) — Archbishop Joseph Gawlina, 72, rector of the Polish St. Stanislaus College in Rome, died unexpectedly early Monday. Cause of death was not immediately announced.

The archbishop spoke to the Ecumenical Council only last Thursday, and seemed in good health. He was born in Strzybnik, in the Breslau area, on Nov. 18, 1892.

whereas from November to this July this fell to 237.

Bill T. Plastino of Lancaster says "I have had a (liquor) license for 17 years and I can't recall anything with as much teeth in it as this law has. I could not operate without it again."

"It's the best thing that has ever happened to our business," adds William Konas, another Lancaster tavern owner.

## Walter Norblad Dies Sunday At 56

WASHINGTON (AP) — Rep. Walter Norblad, R-Ore., long known as a critic of spending on defense frills died Sunday after a heart attack. He was 56.

He was stricken after recovering from another heart attack earlier this year.

Norblad, the second-ranking Republican on the House Armed Services Committee, had represented Oregon's 1st District since 1946, when he won a special election to the House.

Through his years on the Armed Services Committee, Norblad established a reputation for casting a critical eye on what he considered excessive defense spending.

He is survived by his widow, the former Elizabeth Bendstrup of Astoria, Ore., and a son, Albin Walter Norblad III.

His death leaves the House lineup at 254 Democrats, 176 Republicans and five vacancies.
